How can you pay for X but have to cut Y?

As a school Superintendent I am frequently asked many questions related to the management and operations of a school. One such question typically centers around how we are able to afford a new bus and/or building but potentially need to reduce staff in the interim. How can this be the case?

The answer to this question lies in school finance and what the law implicitly allows schools to do. For example, school accounting is not just made up of one big checkbook with an unlimited amount of funds (ultimately taxpayer dollars). There are several accounts that range from state specific (which are highly regulated) to more locally controlled proprietary/enterprise funds (which have more flexibility at the local level).

A school's general fund is one of the largest funds and is solely responsible for staff salaries, instruction, utilities and many daily operational functions. Many districts have 80% of this fund accounted for in salaries and benefits. The general fund is a major predictor of the financial health of the district. If the general fund is strong then the health of the district usually follows. If the general fund falters then specific actions need to be taken to maintain the integrity of this fund. The general fund is replenished annually using a combination of state aid (including supplemental state aid) and local tax dollars. This fund is the primary fund used to pay staff salaries and benefits. For this reason we do everything we can as a district to find other means to pay for larger expenditures.

These other means of funding come in the form of funds like the Physical Plant and Equipment Levy (PPEL), the Statewide Penny (SAVE) and any specific categorical funding (i.e. Title I, English Language Learning and At-Risk) that the law allows us to utilize. Without the PPEL and the SAVE funds our district would not be in the situation we are today with respect to updated technology, maintaining safe and functional transportation and overall facility upgrades.

So the answer to the question, albeit not a simple one, is that every fund has a purpose and some are more limiting than others. The reason we can buy a bus or fix a roof but may otherwise have to reduce a staff member is all predicated on the health of the district's various funding resources and what the law affords us the opportunity to utilize or not.

If you have any additional questions regarding school funding, the district's financials or a question about Woodward-Granger in general please call or e-mail me at your convenience at bradanderson@wghawks.school or at 515-999-8022 Ext. 101.

Salute to our Volunteers & Support Organizations

It is the time of the year where we begin to reflect on the past school year in order to begin the planning for a bigger and better overall school experience the next time around. In the midst of these reflections it would be greatly remiss to bypass all of the people that have volunteered their time, money and physical efforts in making Woodward-Granger a successful school. For this reason I would like to take a moment to say "Thank You" to all of our parents, community members, volunteers and organizations that have made and will continue to make our community and schools a better place. We truly could not pull off a mutually involved and successful school year without you. Your efforts, no matter how big or small do not go unnoticed.

WG National Honor Society Induction

On March 23rd, our school had the distinct pleasure in inducting 13 new members into the National Honor Society. The process to get into this prestigious organization consisted of the following:

- Students had to have a cumulative GPA of 3.5 or above
- Students had to fill out a Student Information Form in which they were to list and describe extra-curricular, service, leadership, and volunteer activities they were involved in.
- High school teachers evaluated all of the eligible candidates on a 4-point rubric over their service, leadership, and character.
- A panel of 5 high school teachers discussed each candidate to select the nominees for this year.

The induction ceremony was held at 7:00 in the auditorium, with a reception following it.

I would like to personally congratulate all of the candidates who officially became a member of the National Honor Society and our returning members. These students truly represent Woodward-Granger in a positive manner.

Uniforms

The band had a new look this fall. With special thanks to Merna Mayfield Foundation for a grant to purchase band uniforms, the Woodward-Granger Hawk Marching Band. The marching band debuted the uniforms at the homecoming game on Friday September 24th.

Veterans Day

The band was very proud to help provide some music for the Veterans Day Program for the WG Middle/High School and the WG Elementary. Shayla Trump and Chanel Hatton organized the Veterans Day program that was presented during an assembly on November 11th. The band performed God Bless the USA arranged by Micael Sweeny. Kilei Gunderson read a poem and Cami Cochran performed a speech.

Conference Honor Band

On November 17th, members of the Woodward-Granger band participated in the West Central Activities Conference honor band. 18 members participated in one of two ensembles. Seven students were named All Conference and were under the direction of Dr. Munier of Drake University. 11 students were selected to be in the honor band who were under the direction of Mr. Keerny of Johnston.

Southern Iowa Honor Band

On November 19th, 6 Students went Afton Iowa for the Southern Iowa Honor Band. The band was under the direction of Mr. Oscar Ortez. Emily Trewitt, Ashton Daws, Juliette Sosa-Valle, Trenton Anderson, Justin Wheeler and Asher Little were selected to represent Woodward-Granger. 14 1A and 2A schools were represented from through out south central Iowa.

2016 Individual Events Speech Recap

This year was a busy and fantastic year for Individual Speech. For District Competition, 19 students competed in 33 events. 17 of those events, performed by 13 students, earned Division 1 ratings, and moved on to the State Competition, which was held on March 12th, at Des Moines, North. At State, 14 of the 17 events earned division 1 ratings, 7 of which earned straight ones. Earning straight ones means all three judges agreed: the student performed extremely well.

A few of our state qualifiers: Front Row: Mackenzie Major, Erin Kamp, Briley Bernel, and Paige Harlan Back Row: Josie Noland, Malorie Hudspeth, Meredith Williams, Nate Devick, and Camelin Cochran. Not Pictured: Maggie Odegaard, Kayla Crouse, Alex Frost, Alexis Bixler

On Monday, March 14, All-State Nominations were posted to the IHSSA Website. We are pleased announce that Paige Harlan qualified in Storytelling. Erin Kamp qualified in Acting and in Prose. Erin is one of 28 students in the state who will going to All-State for multiple events. This is a huge accomplishment! Congratulations Paige and Erin!

All-State will be held at UNI on April 4th.

2016 All-Iowa Press Release:

Forty teams qualified for the State Basketball Tournament after days, weeks and months of practice. Another championship caliber team that will show its talent Friday and Saturday night has practiced for just a few hours. That team is the All-Iowa Honor Dance, which has become a tradition at the Girls State Basketball Tournament.

All dance teams represented are members of the Iowa State Dance Team Association, and the girls are chosen based on ability, attitude, dedication and leadership qualities. Auditions were held last fall at Ames Community Schools. After just hours of practice together, the students annually put on a show that is nationally recognized as one of the finest of its kind. Grand View University serves as the host for the Thursday and Friday rehearsals.

The pregame performance will include fifty dancers performing a patriotic salute. Lois Turnage of Pleasantville is the choreographer. Elizabeth Weyers was selected to perform during the pregame performance on Friday and Saturday.

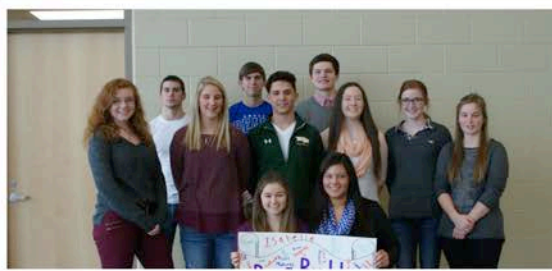

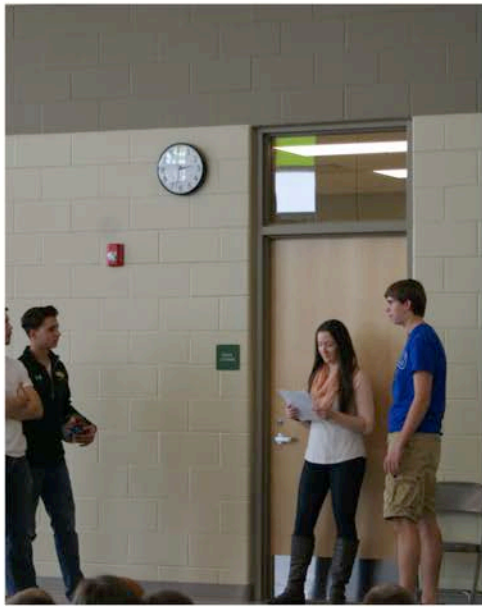

The halftime production will perform during the 3A championship halftime Saturday evening. The halftime group involves 224 dancers representing 100 Iowa high schools. This year's theme is a medley of songs with the theme of "Work".

Both the pregame and halftime performances can be watched on your local IPTV station. Friday coverage will begin at 5:30 pm and Saturday coverage will begin at 3:30 pm.

The IGHS AU salutes, for the 34th consecutive year, Kathy Enyart and the All-Iowa Honor Dance Team.

High School

On February 11th, Maddisyn Anderson and Madison Brown presented their senior project, "Let's Stop Bullying," to the fifth grade class. They started by presenting a short skit, showing different examples of bullying in a school setting. Then they provided the children with some basic knowledge about bullying, which included the different roles in regards to bullying and the difference between tattling and telling. They also brought some students from the senior class and interviewed them on their thoughts on the subject. The kids were also able to ask the seniors any questions they had about bullying. Lastly, they concluded the assembly with having the fifth graders sign a poster that read: "Be a Buddy not a Bully." That poster is now hanging in the fifth grade hallway next to Jenna Tweeten's classroom. They are very pleased with the turnout of the project and would like to thank all of the seniors that helped with the project, Jenna Tweeten for all the help she provided throughout the process, and the fifth grade class for sitting in on the assembly and pledging at the end to "Be a Buddy not a Bully."

Be a Buddy not a Bully

Middle School

Middle School Mayhem was a success this year. We had about 60 kids show up to play games in the gym, sing Karaoke, play video games get temporary tattoos, faces painted and fingernails polished. We raised a little money to replenish the Middle School Student Council's funds so we can begin considering a charity to receive a contribution. We always want to better our selves, our school, our community and our world.

Elementary

The Spring Scholastic Book Fair at the elementary school was a huge success! Parents and students purchased about 100 books for their teachers! Thank you so much for your generosity! In addition, we were able to use profits to give teachers \$50 to use toward their classroom libraries, and many new books for the Elementary and ELC libraries. Thank you to our volunteers who keep the fair running each year.

A graphic of an open book with the words "Book Fair" written in orange on the pages.

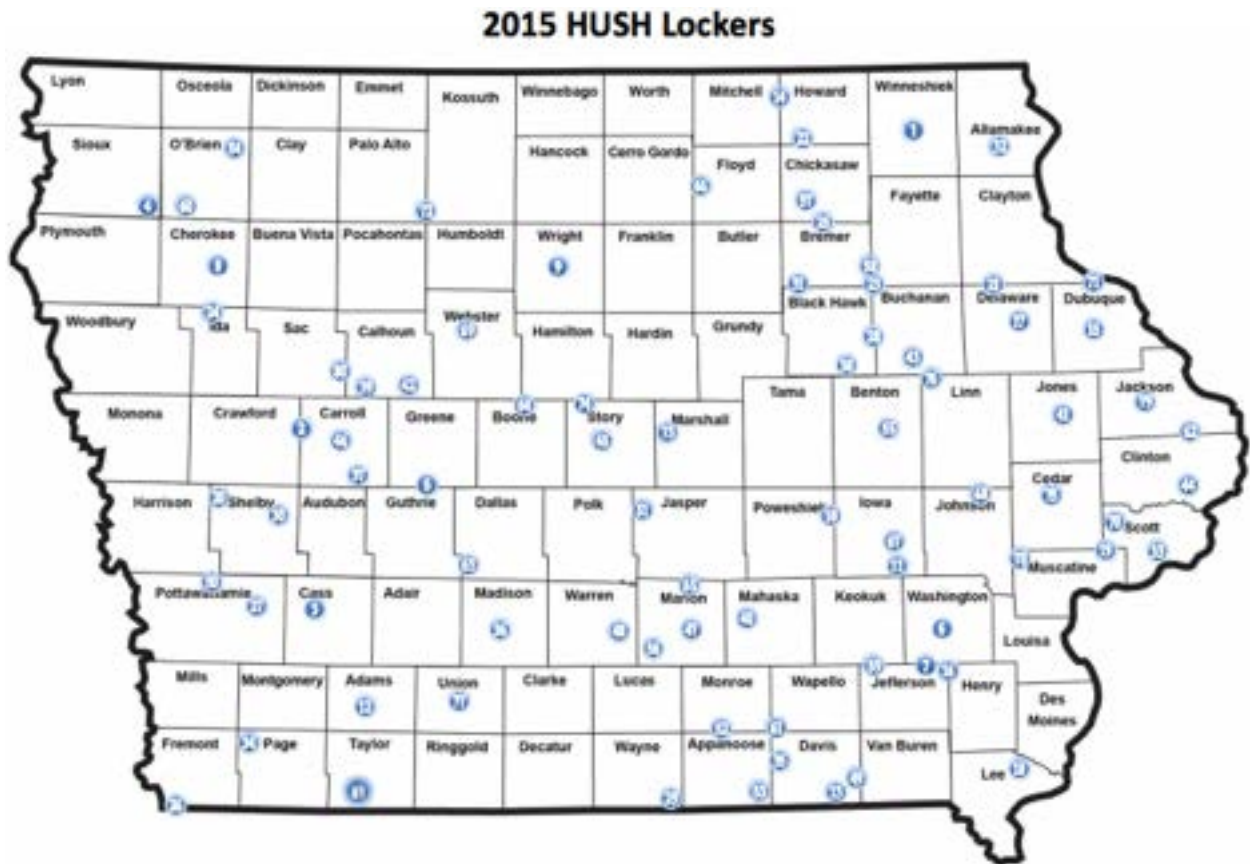

Book Fair

Information Literacy continues to be the main push in library classes. The second graders are getting more acquainted with our online catalog (<http://.wg.follettdestiny.com>), and the third graders are learning about safe search sites that they can use when they need to do research. Fourth and fifth graders are learning not to believe everything they hear or see on the internet, but to test it for reliability. Moving up to middle school, eighth graders are learning tricks and tips for choosing reliable resources for their current research on World War II. They've also learned how to use Heartland AEA's SuperSearch, a huge database similar to what they'll find in college. At the ELC, kindergarteners and first graders are working their way through the Goldfinch Honor list in preparation of voting for their favorite book. Results of voting for the school and state will be announced this month.

As summer draws near, don't forget that students have access to e-books to read online if they wish. They just need to log in to their library account and search Universal Search. E-books will be listed under "Digital" and when they click on "Open," the book will open in MackinVia. No additional login required!

H.U.S.H

H.U.S.H is an acronym that stands for Help Us Stop Hunger which is a program that helps feed needy families in Iowa, through hunters donating deer. Since the beginning of the H.U.S.H program in 2003 there have been a varying differences in donations, highest being 2007 with over 8,000 deer donated. This and many more benefits come from the H.U.S.H program. H.U.S.H history: there are over 83 lockers participating in H.U.S.H in the counties below. For each deer donated, the locker will receive \$75, and even the Food Bank of

Iowa receives a \$5 administrative cost for each deer. Even buying a deer license is helping benefit H.U.S.H because every license comes with a \$1 surcharge that goes to the program. H.U.S.H does have some requirements that must be met before any donations can be made. The first is, of course, the deer must be legally-taken deer. Second is if you make a donation, you must donate the whole deer. Third is the deer must be fielddressed (gutted). Fourth and final is that a locker will not accept a road kill deer. H.U.S.H has helped feed many needy families from the birth of the program in 2003. From 2003 to 2014 there have been 63,352 deer donated, providing 10.1 million meals to the hungry in Iowa. For my senior project I personally contributed by donating 2 deer that I got this past hunting season.

Bam Bam Baseball

This league was designed to give the children an opportunity to get a feel for the game of baseball and softball. The main purpose of the Bam Bam League is to teach children to hit the ball, run the bases, become familiar with being on the field, and most of all, to have FUN. Players use an oversized bat to hit a squishy ball off of a tee and run the bases. No score is kept. Every player hits in every inning. Participants must register online:
