

Hawk Happenings

A monthly publication of the Woodward-Granger Community School District

April 2018

The Woodward-Granger Boys Basketball won this years District 16 championship.

By Brad Anderson
W-G CSD Superintendent

District to Hold Student Registration in July

This year’s online school registration window will be open July 15th- August 22nd. During this time current existing students/families may register for the 2018-19 school year using the District’s online registration portal.

New members to the District will be required to register face to face at the District’s Central Office located at 1904 State Street in Granger. Please be looking and listening for further details regarding this process. For further questions please call (515) 999-8022.

School Hours to Be Made Up

Due to inclement weather and school hours missed, school will now be held on Friday April 26th. This was originally a No School, Staff Development Day but because of the need to meet the required 1080-hour State minimum we will now have a full day of school with students. For further questions please call (515) 999-8022 or e-mail bradanderson@wghawks.school.

Reminder to Mark Your Calendars

On **Tuesday, April 17th** from 6-8 p.m. in the elementary media center the Woodward-Granger CSD will host its Spring School Improvement Advisory meeting. All community members are invited and encouraged to attend. During the meeting recommendations will be sought in student learning goals, District Needs Assessment Data, Curriculum Plan, Health Education, Stakeholder Engagement and CRISIS Planning.

We encourage you to come out and provide input as this information will be directly shared with the WG Board of Education.

Thank you for your consideration and we hope to see you there!

WGEA receives ISEA Grant for W-G Community Pantry

Back in November, Kendra Spoelstra (Woodward-Granger Education Association Co-President and Elementary SPED teacher) along with Jenna Tweeten (ELC & Elementary Counselor) and Alex Blum (ELC & Elementary Nurse) began working on applying for one of the Iowa State Education Association’s (ISEA) Community Outreach Grants available in February totalling \$500. WGEA selected to work on the grant with Mrs. Tweeten and Mrs. Blum as they are in charge of the Woodward-Granger Community Pantry, which is currently serving about 20 families within the Woodward-Granger School District, thanks to all of the products that they have received from the Food Bank of Iowa. The need for students in the community was high in regards to needing meals at home and snacks at school. The schools have been seeing a high response level from students that they were not eating full meals unless they were receiving those meals at school, through school breakfast and lunch. Unfortunately, this meant that the typical “backpack program” with weekend snacks that were sent home was no longer sufficient to meet the needs of those students. The W-G Community Pantry began to address this need, and is now able to send bagged snacks home for students. The pantry is also open twice a

month for families, as well as being available for families to set appointment time to come in and take items home. The access to the pantry is very family friendly, and is currently serving about 30 students at the elementary level and expanding to the middle school and high school as well. The use of the pantry is expected to continue to grow as word gets out about this service and program provided within our community.

With this grant money, WGEA was looking for ways to help grow this program, while still maintaining the safety of the foods as well as the ease of delivery of the foods at school. WGEA is hoping to help the pantry purchase more shelving to store their food items, carts to help safely deliver the food to the students and families, and hot/cold bags to be able to send refrigerated items home. On March 1st, WGEA received a letter from ISEA stating that we had been selected as one of the local associations to receive a \$500 Community Outreach Grant. We are very pleased to have been selected and to be able to give this money to such a worthy cause that benefits so many of our students for which we serve.

*Woodward-Granger Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact: **Rebecca Maass**, 1251 334th Street Woodward, Iowa 50276, (515) 438-4263 or rebekamaass@wghawks.school or to the Chicago Office, Office for Civil Rights, U.S. Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, IL, 60661, and (312) 730-1560.*

High School

Boys Basketball

The High School boys basketball team finished the season with a 15-10 record after losing to state runner up Treynor in a substate basketball game. They won the District 16 championship over Des Moines Christian 66-63 to earn their spot in the substate final. Their 9 - 9 conference record was good enough for a 6th place finish in the West Central Conference. The JV Hawks finished the season with a 5-6 record and the Fresh/Soph team went 5-11. Sophomore Keith Braunschweig and senior JP Nixon earned Honorable Mention all conference honors while Sophomore Bryce Achenbach earned 1st team all conference recognition. Achenbach was also named to the All Substate 8 Team. The 15 wins were the most by a WG team going back to 2000.

Girls Basketball

The 2017-18 girls basketball season was an up and down one for the Hawks. Unfortunately the theme for the season was "it is difficult to score". The team averaged 34.4 points a game, scoring in the 50's only once and the 40's just five times in 23 games, while finishing 4-19 overall and 1-15 in the West Central Conference.

The girls did a nice job of staying focused and practicing hard. Our skills improved as the season went on and we gave ourselves many chances to win games. With only 12 team members and just two seniors and two juniors, the team was relatively young, especially in comparison to many of the teams we faced. Hopefully this team can continue to grow and improve and become one with many experienced upperclassmen rather than just a few. That combined with continued hard work to improve individual skills through off-season workouts could lead to a much improved season next year for those players that return.

Seven of the twelve players reached the criteria to earn a varsity letter. They are: Seniors Alyssa Bice and Kaitlyn Peters; Juniors Kayley Dresback and Lisa Pitman; Sophomores Mae Anderson, Natalie Helbling, and Katelyn Scharlau. Other team members: Sophomores Quinn Kaufman, Maddie Danti and Chloe David; Freshmen Faith Kuehl and Ava Petersen.

Two players were recognized by the conference coaches as Honorable Mention All-Conference: Alyssa Bice and Kayley Dresback.

Statistical leaders on the team: Points, Alyssa Bice at 9.5 per game; Rebounds, Katelyn Scharlau at 6.5 per game; Assists, Kayley Dresback at 2.3 per game; Steals, Alyssa Bice at 2.1 per game; Blocks, Kaitlyn Peters at 1.4 per game.

Front Row, L to R: Maddie Danti, Faith Kuehl, Chloe David, Quinn Kaufman
Middle: Ava Petersen, Natalie Helbling, Mae Anderson, Kayley Dresback, Katelyn Scharlau
Back: Lisa Pitman, Alyssa Bice, Kaitlyn Peters, Coach Dresback
Not pictured: Asst. Coach Wayne Bice

WG National Honor Society Induction

On March 22nd, our school had the distinct pleasure in inducting 9 new members into the National Honor Society. The process to get into this prestigious organization consisted of the following:

1. Students had to have a cumulative GPA of 3.5 or above
2. Students had to fill out a Student Information Form in which they were to list and describe extra-curricular, service, leadership, and volunteer activities they were involved in.
3. High school teachers evaluated all of the eligible candidates on a 4-point rubric over their service, leadership, and character.
4. A panel of 5 high school teachers discussed each candidate to select the nominees for this year.

The induction ceremony was held at 7:00 in the auditorium, with a reception following it.

I would like to personally congratulate all of the candidates who officially became a member of the National Honor Society and our returning members. These students truly represent Woodward-Granger in a positive manner.

New Members to the National Honor Society:

Briley Bermel
Megan Burkhart
Sophia David
Kayley Dresback
Noah Gleason
Josie Noland
Hunter Pifer
Alissa Smelzter
Cole Theisen

Returning Members of the National Honor Society:

Marissa Brunick
Kayla Crouse
Kayla Fraaken
Paige Harlan
Olivia Jones
Erin Kamp
Kaycee Major
Maggie Odegaard

Mr. Chapman,
National Honor Society Advisor

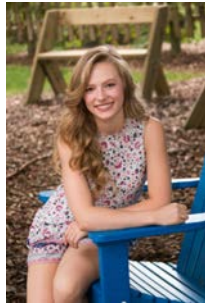

2018 Individual Events Speech Recap

This year, the Woodward-Granger Speech team had a fantastic Individual Events competition season. We had 20 students perform in 32 events at district competition in February. Of those, 19 events, performed by 14 students, went on to state competition in March. State competition was the most successful competition we've had in recent history. 10 of the events earned straight division I ratings, which is the highest possible rating. We had 5 other events earn overall Is and had 4 events that earned a division II rating.

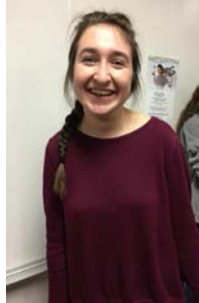

The top performers at state competition are nominated by judges for performance rights at the All-State Festival at UNI. This year, we have 4 students who qualified for All-State honors.

Erin Kamp

Paige Harlan

Briley Bermel

Kailie Beggs

Erin camp, a senior, qualified for All-State in both acting and prose. This is her third appearance at the All-State Festival. Paige Harlan, also a senior, qualified in storytelling and is a second time All-State performer. Briley Bermel, a Junior, also a second time All-State performer, qualified in prose. Finally, Kailie Beggs, a freshman, made her All-State debut with her original poetry piece.

Congratulations to all of the speech students on a successful season, especially to those who earned All-State Honors.

You're Invited

All High School District Activities Celebration

Tuesday, May 8th at 7 p.m.

MS/HS Auditorium (Woodward).

Come join us this evening as we honor our HS students for their extra-curricular accomplishments.

MRS. TEBOCKHORST MORNING YOGA SESSIONS

Mrs. T's Classroom Yoga Sessions

By: Mrs. TeBockhorst

Our class has started doing Yoga every morning after first practicing deep breathing. The yoga occurs after gym time to help the student relax after getting out their wiggles. The videos we watch are generally related to what we are learning about for the week thanks to CosmicKidsYoga youtube channel. Each student has their own spot on the rug to work on personal space. The students really like videos that follow along with a song or a story that they know. Yoga is helping everyone relax and focus more during work time!

Please contact your child's teacher for specific details with the events below

Science

In an effort to deepen student understanding of chemistry concepts and to increase interest in science, high school chemistry teacher, Ms. Piatz and middle school science teacher, Mrs. Nygaard, collaborated on a cooperative learning project. The high school chemistry class was given the task of creating a short lesson and/or activity on either the Periodic Table & Atoms or Chemical & Physical Change that was suitable for a 6th grade science class. The real inspiration behind this collaboration project came from the chemistry students. What made this assignment great was the willingness of some of the chemistry students to make the extra effort to take their project into the 6th grade classroom. This was an exemplary example of the character, motivation, and perseverance of some of our Woodward-Granger High School students.

Research shows that students learn content significantly better through cooperative group learning and peer learning. These high school students rose to the occasion to demonstrate just that. Each individual or group worked tirelessly on practicing and perfecting their activities by

coming in before school, after school, and during their open or study hall periods. The students did an excellent job presenting their lesson and activity. The 6th grade students loved having the high school students in the classroom and were actively engaged in activities relative to their current unit of study.

These exemplary students and their projects are as follows:

Hunter Pifer & Mallory Burkhart chose chemical reactions and demonstrated elephant toothpaste.

Kayley Dresback & Briley Burmell chose chemical reactions and had the 6th graders toast marshmallows. They followed up the activity with questions about the indicators of chemical reactions as evidenced by the marshmallows.

Whitney Halferty chose chemical reactions and had the 6th graders, in small groups, make glow in the dark slime.

Mackenzie Major also chose chemical reactions and had the 6th graders make slime.

**WOODWARD - GRANGER
COMMUNITY SCHOOL DISTRICT
FOUNDATION**

The Woodward-Granger Community School District Foundation awarded two \$500 mini grants to W-G Staff during the Spring grant cycle. Erica Leuenberger, Preschool, and Lisa Anderson, Grandwood, are the recipients. The Preschool will now have a Puppet Theater and students in Grandwood's Vocational Program will now have uniforms to assist with their professionalism in the work place. Thanks to all those who applied. The Fall grant cycle ends October 1 - spread the word! All W-G Staff are welcome to apply!

Elementary

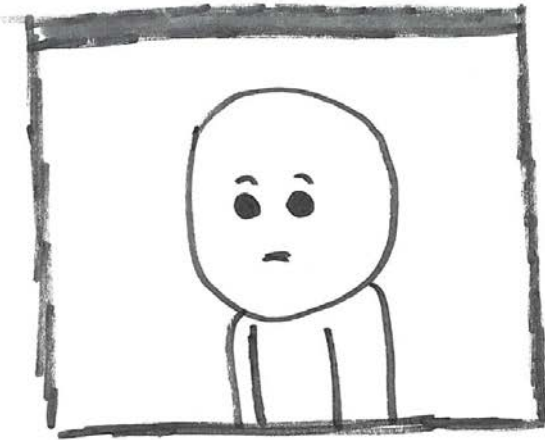

The second graders have been busy learning how and why we write friendly letters. We are learning about the five parts that make one up. We have learned how to address envelopes and why it's so important to write it correctly! We were even able to walk over to the post office and personally mail them. The students have been so excited

to receive mail at school from the people they wrote their friendly letters to! We also used our letter writing skills to send out our Flat Stanleys. Second graders read the book Flat Stanley and sent out our very own on an adventure. We cannot wait to receive our Flat Stanleys back and learn about the places he traveled to!
