Woodward-Granger CSD Welcomes You

Dear WG Families,

Welcome to the 2018-2019 school year! With only a few short days until the first school bells of the year I would like to welcome both our returning families and those who are new to our District. If you are new or returning to the District and have not yet registered for classes please do so at your earliest convenience by logging into our website at <https://wghawks.school>. Here you will find instructions for registering if you are new to the District and for those returning.

This summer much work has gone into improving and upgrading many of our facilities in the District. From new pavement, new layout and safety upgrades at the ELC playground, greater security and exterior door replacement at the Middle School/High School to new scoreboards, paint and resurfacing of our existing Middle School gym. All of these physical improvements to help make your child's experience at WG more enjoyable. Thank you to everyone that contributed to making these summer projects run efficiently.

The Woodward-Granger Board of Education and District administrators spend a great deal of time during the summer preparing for the upcoming school year. These efforts will be reflected in the upgrades of an online and interactive student/parent handbook, succinct goal setting for the District by the Board and added staff and additional support throughout the various buildings. All these small things contribute to what we know will be a smooth opening to the 2018-19 school year.

With school beginning on August 23rd, the District encourages you to attend Back to School Nights set for August 17th from 5-7 p.m. for the MS/HS, August 20th from 5-7 p.m. for the ELC/Elementary and August 21st from 4-6 p.m. for Grandwood. These nights are a chance to meet the staff, hear the annual expectations and familiarize yourselves with the various buildings of our District.

Back to school is a perfect time for those of us involved in education to develop new goals, build new relationships and embark on the journey of teaching and learning. Our District and Board goals this year highlight a continued investment in staff and training, increased student achievement, community engagement and the additions of quality programming and growth for the future. It remains our belief that it takes everyone to educate a child and to take on the academic and social-emotional challenges our students encounter.

As we begin the 2018-19 school year, please know that we are here for the best interest of you and your families and we will continue to strive to maintain a positive school experience.

Sincerely,

Brad Anderson, *Superintendent*
Woodward-Granger CSD

ANNUAL NOTICE OF NONDISCRIMINATION

The *Woodward-Granger CSD* offers career and technical programs in the following areas of study:

Agriculture, Food and Natural Resources
Business, Finance, Marketing and Management
Human Services

It is the policy of the *Woodward-Granger* Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact:

Rebecca Maass
1251 334th Street
Woodward, Iowa 50276
(515) 438-3240 or
rebekamaass@wghawks.school

NOTE: A school district may have a different coordinator for each law or consolidate the responsibilities under one employee. The Iowa Department of Education encourages districts to have no more than two (2) coordinators: one for employment and one for programs. If the district has more than one coordinator, publications of this policy and notifications must include the name, contact address, contact phone number and email address for each coordinator.

Public Release

The Iowa Department of Education, Bureau of Nutrition and Health Services, today announced its policy for free and reduced price meals for children unable to pay the full price of meals served under the National School Lunch Program, School Breakfast Program and the Afterschool Care Snack Program.

State and Local school officials have adopted the following family size and income criteria for determining eligibility:

**INCOME ELIGIBILITY GUIDELINES
Effective 7-1-2018**

<u>Household Size</u>	<u>Free Meals</u>					<u>Reduced Price Meals</u>				
	<u>Yearly</u>	<u>Monthly</u>	<u>Twice a Month</u>	<u>Every two weeks</u>	<u>Weekly</u>	<u>Yearly</u>	<u>Monthly</u>	<u>Twice a Month</u>	<u>Every two weeks</u>	<u>Weekly</u>

For each additional family member add:	5,616	468	234	216	108	7,992	666	333	308	154

Households may be eligible for free or reduced price meal benefits one of four ways listed below.

- Households whose income is at or below the levels shown are eligible for reduced price meals or free meals, if they complete an Application for Free and Reduced Price School Meals/Milk. Households may complete one application listing all children and return it to your child's school. When completing an application, only the last four digits of the social security number of the household's primary wage earner or another adult household member is needed.
- Food Assistance households, children receiving benefits under the Family Investment Program (FIP) and children in a few specific Medicaid programs are eligible for free or reduced price meals. Most children from Food Assistance and FIP households will be qualified for free meals automatically. These households will receive a letter from their children's schools notifying them of their benefits. Households that receive a letter from the school need to do nothing more for their children to receive free meals. No further application is necessary. If any children were not listed on the notice of eligibility, the household should contact the school to have free meal benefits extended to them. Households must contact the school if they choose to decline meal benefits.
- Some Food Assistance and FIP households will receive a letter from the Department of Human Services (DHS) which will qualify the children listed on the letter for free meals. Parents must take this letter to the child's school to receive free meals.
- Food Assistance or FIP households receiving benefits that do not receive a letter from DHS must complete an application with the abbreviated information as indicated on the application and instructions, for their children to receive free meals. When the application lists an Assistance Program's case number for any household member, eligibility for free benefits is extended to all children in a household.

Eligibility from the previous year will continue within the same school for up to 30 operating days into the new school year. When the carry-over period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, the children must pay full price for school meals and the school will not send a reminder or a notice of expired eligibility. An application cannot be approved unless complete eligibility information is submitted. Applications may be submitted at any time during the year. If a family member becomes unemployed the family should contact the school to complete an application. Households notified of their children's eligibility must contact the school if the household chooses to decline the free meal benefits.

Foster children are eligible for free meal benefits. Some foster children will be qualified for free meals automatically through the State Direct Certification process. Their host family will receive notification of these benefits. Families that receive this notification from the school need to do nothing more for their foster children to receive free meals. If a family has foster children living with them and does not receive notification and wishes to apply for such meals, instructions for making application for such children are contained on the application form. A foster child may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving benefits. Special Supplement Nutrition Program for Women, Infants, and Children (WIC) participants may be eligible for free or reduced price meals based on a completed application.

When known by the school, households will be notified of any child eligible for free meals if the children are enrolled in the Head Start/Even Start Program or are considered homeless, migrant or runaway. If any children are not listed on the notice of eligibility, contact the school for assistance in receiving benefits. If households are dissatisfied with the application approval done by the officials, they may make a formal appeal either orally or in writing to the school's designated hearing official. The Policy Statement on file at the school contains an outline of the hearing procedure. School officials may verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and Federal criminal statutes. Households should contact their local school for additional information.

There will be no discrimination against individuals with Limited English Proficiency (LEP) in the school meal programs.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;
- (2) Fax: (202) 690-7442; or
- (3) Email: program.intake@usda.gov.

This institution is an equal opportunity provider.

Iowa Nondiscrimination Notice. "It is the policy of this CNP provider not to discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity, national origin, disability, age, or religion in its programs, activities, or employment practices as required by the Iowa Code section 216.6, 216.7, and 216.9. Hawks Nest Adventures!!

Hawks Nest is having a blast this summer! We can't believe summer is already half over!? We are not ready for the fun to end.

We have the best kids and even better staff who love these kids!!

Hawks Nest has done so much already this summer. We go to the pool two days a week. Other places we've gone is the Zoo, an Iowa Cubs game, Living History Farms, a movie, the Dallas County fair, the Science center, Tiger Bowl and we have many more places to go! Like Picket Fence, Ledges State Park and Pump it Up!

While we are having so much fun, we're also learning a lot about Science with fun crafts, activities and experiments.

We have a lot more fun and learning to do this summer!

2018 Hawks Baseball Season

The 2018 season was a great one. This season was full of exciting games, playing for conference title again, playing a lot of underclassmen and playing at Principal Park. Coming into the season we had come off our best season in school history. In saying that the players were not content on last year and were driven to go to state in 2018. We were lead by Seniors, Matt Buch, Nick Brummond and Cole Theisen. These three young men were outstanding leaders and were a blessing to have on the team. These guys would be there everyday to lead the way for us all the way until the end of the season.

We had several players receive post season awards. All Conference awards went to the following players:

1st Team All Conference

INF- Reese Jamison (10th)

2nd Team All Conference

C- Matt Buch (12th)

INF- Cole Theisen (12th)

Honorable Mention All Conference

P- Brandon Worley (10th)

P- Jay Dorenkamp (10th)

2nd Team All District

C- Matt Buch (12th)

P- Brandon Worley (10th)

Looking forward to next season this young group will be poised to compete for the Conference and District Championship and a berth to the State Tournament,

Keep working fellas!!

Coach Evans

The 2018 season for the Hawks was filled with many opportunities to become triumphant in the West Central conference. The Hawks were faced with an abundant of chances to come out on top in games, but fell short. The new coaching staff, Owen Hunter and Jessica Wyant, are eager for the future teams to come. With a young group of girls, the Hawks showed much improvement over the season. The Hawks finished their season with a record of 4-30 and are eager for the upcoming season.

TAKE-A-SEAT!

The W-G Foundation is serving sweets and selling seats during MS/HS Back-to-School night in Woodward! Enjoy some ice cream and take-a-seat in the actual chair planned to refresh our auditorium. Learn how you can memorialize a seat and play a special role supporting our growing bands, choirs, drama and speech teams!

Email woodwardgrangerfoundation@gmail.com for more info. See you Friday August 17th from 5-7pm in Woodward!

In June, WG Elementary hosted their first STEM Camp! Selected students came to camp to participate in activities around science, technology, engineering, and math. Throughout the two week camp, students learned about coding using Scratch, developed a toy design that was later created on a 3D printer, and completed several hands-on engineering challenges. The kids did a fantastic job and we hope to continue this camp for years to come!

Program Overview

The Business Experience will provide Woodward-Granger students the opportunity to work on authentic projects for local businesses.

As students complete projects during the semester long course, students will develop workplace skills, create a network for future opportunities, and discover career paths that will help provide students some direction in their education and career choices.

The course is open to all Woodward-Granger juniors and seniors and students will be based off-campus in completing all business projects.

Students will **BE**come:

- ◆ Communicators
- ◆ Active Listeners
- ◆ Driven
- ◆ Positive
- ◆ Innovative
- ◆ Creative
- ◆ Resourceful
- ◆ Problem Solvers
- ◆ Self Starters
- ◆ Flexible
