True Traditions at W-G

by Brad Anderson Superintendent

**Woodward-Granger
CSD Superintendent of School**
banderson@wg.k12.ia.us

The month of December sets itself apart from any other time of the year in many different ways, but what way do these thirty-one days truly distinguish themselves from any other month? Tradition.

Within this one-month, we participate in traditions such as the lighting of the menorah for Hanukkah, the decoration of the tree for Christmas, the celebration of the seven principles for Kwanzaa, and the proclamation of resolutions for New Years. Traditions are wonderful to experience, especially at this time of year, because they seem to reveal the human spirit through love and togetherness.

I was glancing through the Des Moines Register the other day and saw articles about the Salvation Army Kettle ringing, invitations for community holiday feasts and special events to unite old friends and family alike. These traditions are means to unite the general masses and to come together as one. These are the kinds of traditions that we aspire to create at Woodward-Granger Community Schools.

Through the last several years the district has been focused on providing students with some wonderful traditions of our own. We have made it a tradition to inspire students through community giving, singing, instrumental celebrations, art experiences and the ability to think, learn, achieve, and care. We have been continuing to hone our crafts to provide excellent educational experiences and services. Most importantly, we are building the tradition of preparing our students for postsecondary educational opportunities. The best part of these traditions is that we renew them every day of every season.

Thank you for your contributions toward building these honorable traditions and for being part of a growing community of learners. The traditions our students will build tomorrow are made possible by the work we dedicate ourselves to today. With our continued commitment to excellence, perhaps we'll continue to see stories of success during future holiday seasons about students.

May the holiday seasons greet you with many heart-warming traditions, both old and new. Best wishes for a healthy and happy New Year. We thank you for making Woodward-Granger Community Schools part of your family tradition.

The Woodward Granger Community School District does not discriminate based on gender, race, color, sex, gender identity, religion, national origin, creed, age, marital status, sexual orientation, or disability. Inquiries and grievances may be directed to Brad Anderson, Educational Equity Coordinator, 306 West 3rd Street, Woodward, IA 50276, (515) 438-4263, or to the Chicago Office, Office for Civil Rights, U.S. Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, IL, 60661, (312) 730-1560.

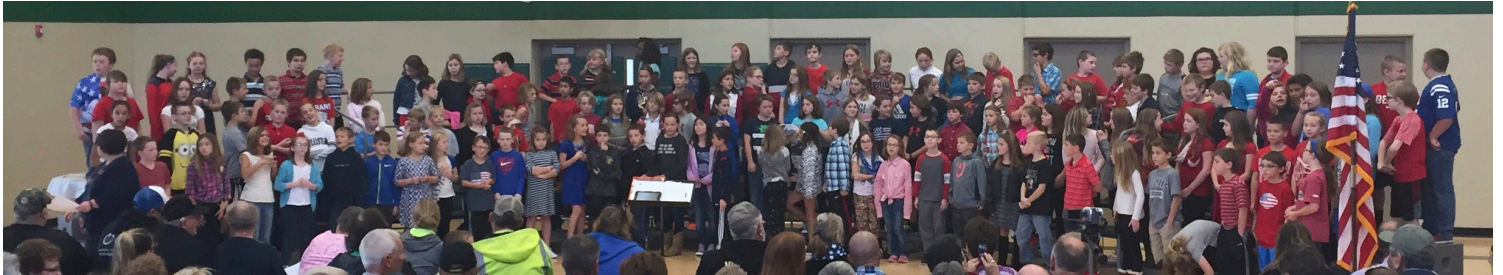

ELEMENTARY

The 4th and 5th grade students were proud to host the 2nd Annual Veterans Day Celebration on November 11th, 2016. Students invited Veterans and family for a Veterans Day program and lunch.

During the program the students sang patriotic songs and read essays entitled "What a Veteran means to me." The High School band performed for the guest and the Woodward Legion presented the colors. Following the program students and Veterans were treated to a special lunch.

Students created special decorations for the event. These included a hand print flag displayed in the hallway, The Wall of Heroes to honor the fallen soldiers and veterans that were not able to attend, and placemats with patriotic drawing. Also they used their essays to make into placemats to be used at the Texas Roadhouse's Veterans Day events.

Photos are various pictures of the event.

JUNIOR HIGH SCHOOL

Tech Highlights:

Mr. Wunschel's 8th grade science classes were recently able to experience Google Expeditions. He led the students on a virtual trip through the systems of the body. Student really enjoyed the experience and feel they have a deeper understanding of how the systems of the body work.

They said that it was a fun activity and being able to visually walk through the body helped to see how the parts of the body work together.

- Barry Brill

Make Your Gifts Go Farther

A good shopper knows that there are few things better than a "Buy One, Get One Free" sale. There is something inherently satisfying about doubling the amount you can receive for your money.

The **Woodward-Granger Community School District Foundation** would love to see the impact of your charitable gift doubled or tripled if your employer offers a **Matching-Gift** program. Because the W-G Foundation is a tax-exempt organization under the provisions of IRS code 501(c) (3), it is eligible to receive matching contributions from employers. Many companies generously offer these Matching-Gift programs. Most of these programs are a 1:1 matching grant,

but some actually triple the original donation. The Human Resources Department of your company can tell you if the Matching-Gift program is available and can provide the forms necessary to participate. Locally, some companies known to match gifts include **Principal Financial, Voya, Pioneer Hi-Bred, Wells Fargo, Mid-American Energy, 3-M, and Union Pacific Railroad.**

The Foundation's mission is to provide funds for enrichment opportunities and scholarships for W-G students. Your gift, especially if it is doubled or tripled by your employer, assists in raising adequate funds to fulfill this goal.

If you have questions concerning this program, contact the Human Resources Department of your company. You may also contact Gregg Erickson at 515-999-2290.

Speech Camp Performance Night

For the first time, the Woodward-Granger Speech team hosted a camp to teach students about different aspects of being on the speech team. Twelve students, from 8th to 11th grade, signed up for the camp. They were each coached in three different events, both large group and individual, by students who have previously competed in those same events. The students had four nights of practice where they worked together to practice, and eventually perform, a total of 20 different events.

Mr. Clay and Miss McDaniel are extremely proud of the new students who overcame fears and challenges to perform at Speech Night. They are also proud of the returning students who stepped up and taught their peers about speech. Mr. Clay stated, “What was really fun was stepping back as a coach and watching the returning Speech kids coach the incoming members. At first, they were a little hesitant to do so, but once they got going, it was clear they were having a blast.” Overall, speech camp was a huge success, and we want to thank all who came out and supported our students!

HIGH SCHOOL

Erin Kamp Honored for Iowa's All-State Band

Congratulations to Erin Kamp for being selected as an alternate to the 2016 All State Band. Out

of over 350 of the top flautists in the state of Iowa, Erin was selected as 1 of 28 flutes to receive

All State Honors. Congratulations Erin!

National Council on Youth Leadership - Central Iowa Chapter

Jamison Honored at Mall Photo Kiosk for Leadership Award

NCYL is an exclusive leadership seminar held September 18-19, 2016 at Drake University. Approximately 250 students from 25 area high schools have been selected to attend for their leadership qualities and scholastic record.

Four central Iowa NCYL students will be chosen as Youth Leaders of the Year based upon their application, essay, and seminar participation. These four students will receive an expenses-paid trip to the national NCYL conference, Town Meeting on Tomorrow, in St. Louis on October 15-18, 2016.

Additionally, NCYL members are featured in a photo display that will be showcased at several prominent public locations in the Des Moines area this fall. After we receive your application and essay, you'll receive complete information from Tim Vorland Photography about your complimentary NCYL professional photo session for this traveling display.

STEM Skills

Fashion and Textiles students utilizing STEM related skills to evaluate fiber content. Students first used burn testing to identify fibers. Once fibers were identified, the students performed a series tests on each fiber. Their goal was to evaluate the fibers strength, ability to hold its shape, ability to stand up to wear and tear, and their ability to hold dye.

Bricks for the Future and a Celebration of the Past

We would like to invite you to share with us in becoming a part of Woodward-Granger Hawks baseball history. To commemorate and celebrate our rich WG baseball history and tradition, we have constructed a wall of bricks which is a part of the baseball backstop at Woodward-Granger Hawks Field.

A commemorative 4” x 8” single engraved brick is \$100. They are a great way to recognize children, grandchildren, past players, families and friends. The bricks leave a lasting memory for those who follow.

An order form is provided below:

Former W-G Athletes Meet Up in Gridiron Showdown

Former football athletes from Woodward-Granger met up in an Iowa Intercollegiate conference showdown against each other Saturday in Indianola where visiting Cedar Rapids Coe College took on Simpson. Coe was undefeated coming into the game and went on to beat Simpson 47-29 earning a birth in the IIAC (Iowa Intercollegiate Conference) playoffs starting next week.

▲ In the photo left to right are Cole Ashman, Tanner Canova, Marshall Nieland, Mark Roberts W-G Coach, George Ashman W-G Coach, Michael Conner, Taylor Ashman and Mason Burkhart.
