School Registration Moving to Mid July

Over the past few years the District has offered a spring online registration for any new and/or returning patron of the District. At its peak, spring online registration produced 38% of all registered school patrons taking advantage and registering early.

This year the District has decided to continue to offer an online option for existing patrons and has opted to move the official opening of the online registration window to July 16th. At this time, any existing patron of the District will be able to go online at wghawks.school and will be able to register and pay for their child/children for the 2018-2019 school year. This window will remain open until August 25th. After such time the online window closes, all existing patrons that have not registered will be asked to register via walk-in at the District's Administrative Building in Granger.

All **NEW** members of the District (meaning currently do not have children in the school system at any level), will need to report to the District's Administrative building in Granger from 8-4 M-Thursday and 8-3:30 on Friday.

Please be listening and watching Infinite Campus Messenger, the District's website and/or the District's Facebook page to learn more about the opening of online registration for the 2018-19 school year.

YOU are invited....SIAC

On Tuesday April 17th from 6-8 p.m. in the Elementary media center the Woodward-Granger CSD will host its Spring School Improvement Advisory meeting. All community members are invited and encouraged to attend. During the meeting the community will be informed of the results of the needs assessment, be informed of the District's Curriculum plans for the future and will look at student achievement growth data for the 2017-18 school year.

We encourage you to come out and provide your input on the direction you would like to see our district go as this information will be directly shared with the WG Board of Education.

Thank you for your consideration and we hope to see you there!

Coming NEW for 2018-2019

As the next school year approached rapidly the District is already looking at new and improved facilities and programs.

First, this summer will see several physical changes taking place at the building level as the MS/HS will undergo a door and hardware security transformation. Using both the new Elementary and ELC as the District's model, controlled door access and additional security cameras will be added to the MS/HS facility to aid in securing the various access points of the building. This 200K project will be funded with the remaining construction funds and State Sales tax dollars received from the 1-cent penny.

Also for 2018-19 the District will be taking over all custodial operations. For the past three years the District has outsourced the new Elementary custodial positions. This agreement has not been renewed and two new custodial positions have been retained.

Finally, thanks to the PTO the ELC playground will be taking on a new shape. This 3- phase project will begin this summer with the moving of equipment and the pouring of a news pad of concrete for kids to play on. From here new equipment and fencing will finish off the new and improved look.

Please stay tune as we will have much more to add to this list. If you have questions about any of these articles please contact Brad Anderson, Superintendent, WG CSD at bradanderson@wghawks.school or by calling 515-999-8022.

Woodward-Granger Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact: Rebecca Maass, 1251 334th Street Woodward, Iowa 50276, (515) 438-4263 or rebekamaass@wghawks.school or to the Chicago Office, Office for Civil Rights, U.S. Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, IL, 60661, and (312) 730-1560.

Spring Break Week

WG will not be holding classes the week of March 12th-16th, 2018. Normal classes will resume on March 19th. Have a relaxing and safe Spring Break!

WG Business Program Field Experiences

During the past few weeks students in the WG Business Program have had the great opportunity to see first hand how some of the businesses in our community operate. The first visit was to RAYGUN in the East Village with the a couple different goals for the trip. Students learned about how RAYGUN got started and how it has been able to established itself in not only our community but in Iowa City, Cedar Rapids and Kansas City. Second, students discovered RAYGUN's product development process and how they have been able to effectively create their brand. We can't thank Taylor enough for our visit and their willingness to help our students in their learning!

Our second visit was to Picket Fence Creamery in Woodward. Jill Burkhart was kind enough to have our students out to the creamery to learn more about the business and how it handles its distribution process. Jill provided the students with some great insight into not only some of their successes but some of the challenges they face in making this process work more effectively for the business. Students were able to make some great connections to what they have been learning in class and were even able to walk away with a few samples, thanks Jill!

Finally, as a little change of pace, students received the chance to head over to Casey's Corporate headquarters in Ankeny. It was a great way to see another type of business in action, especially with the size and scope of Casey's and their operations. We met with Dana and Steph from their Marketing Department to learn about their purchasing process and being an employee at Casey's. Then, we also got the opportunity to tour the massive distribution facility with their head of distribution Bill and learned from him about how Casey's controls the majority of its distribution process.

All 3 experiences provided the students real life insight into our discussions and experiences from the classroom in three very different types of businesses. I can't thank RAYGUN, Picket Fence Creamery and Casey's Corporate Offices enough for hosting my business students. They were gracious hosts and provided valuable insight into their businesses and how they operate.

Congratulations to senior Quinten Torres who is participating in "School to Work" with Casey's General Store in Woodward. Quinten has worked in the school coffee shop as a cashier and barista for 2 years.

In preparation for working outside of school, Quinten prepared a resume, applied on-line at Casey's, was interviewed, and hired as a part-time cashier working 3 class periods 3 days a week. Thank you Casey's for supporting our students!

CASHIER

On February 7th, Senior Josh Saak signed a letter of intent to play football at Evangel University, where he will continue his career for head coach Chuck Hepola and the Crusaders. Pictured with Josh are his parents, Rob and Mindy Saak, and WG football coach George Ashman.

Student of the Month

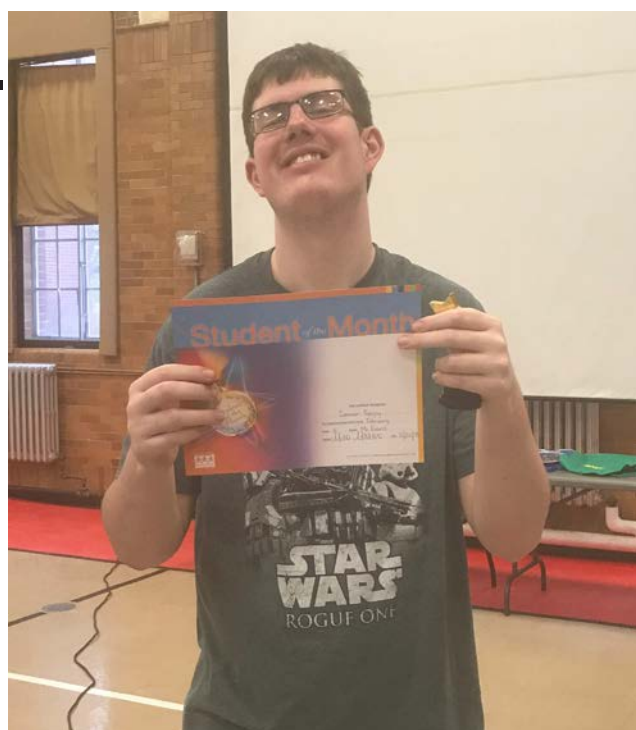

LOKI HYDE

Meet the upstairs student of the month! Loki has been doing a great job this month showing the Grandwood PBIS values of patience, honesty, trust, and kindness. She showed patience by waiting her turn when playing outside. Showed trust by following directions. She showed kindness by talking to staff and using her words. She showed honesty by saying excuse me. Loki has been excelling since being here at Grandwood! She continues to grow and improve every day!

CAMERON POPEJOY

This month's student of the month for the downstairs comes from Mr. Evans Room. Cameron Popejoy has been selected as the Student of the Month because he has demonstrated great growth across all of his IEP goals. Cameron has also demonstrated that he is great at showing the PBIS values in his everyday day to day here at Grandwood. We are extremely proud of Cameron for being selected as the Student of the Month for the downstairs here at Grandwood!

CONGRATS CAMERON!!!

GRANDWOOD BASKETBALL TEAM

Grandwood Hawks 17-18

Grandwood Hawks Basketball

By: Mr. Miller

On Friday February 9, 2018 the Grandwood Hawks held a scrimmage with the East Scarlets at Grandwood. Both teams came to play that day. The competition began with some 3x 3 action. The East Scarlets walked away victorious in this game with a final score of 21-8, East. After a few minutes of rest and preparation the 5 x 5 action began. The competition was once again stiff for the Hawks, but the Hawks walked away victorious, with the final score being 18-16, Hawks.

On Saturday February 17, 2018 Grandwood Hawks traveled to the Knapp Center at Drake University for regional competition. The Hawks came to Drake with one thing on their mind, "on to state." Everything seemed to line up for the Hawks on this day.

The first game for the Hawks was at 10:30. There was no doubt in their minds that they were going to walk away victorious on this day. The Hawks fought hard throughout the first game and walked away with an impressive 72-25 victory against the Courage League Lions. After a few hours to rest the next game was at 1:30. The Hawks still had one thing on their mind and that was victory. The second game for the Hawks was again against the Courage League Lions. The Hawks stomped on the gas and didn't let up. The final score for this game was another impressive 68-18 victory for Grandwood. The Grandwood Hawks basketball team is moving on to state competition to defend their state title from last year in Iowa City at the University of Iowa Field House on March 10, 2018.

MARCH 8, 2018

Box Tops for Education

One of our vocational sites is "Box Tops." Through this vocational site, students are able to work on sorting and counting skills. We are then able to turn these Box Tops in for cash for Grandwood! We can purchase extra items that can't be purchased with educational funds. Please watch on your regular purchased items for the small rectangle to cut out. Send the Box Tops with your child to help keep the vocational site going and earn cash for Grandwood! Thank you or your help!
