## STATE WRESTLING AND BASKETBALL DISTRICT CHAMPS

## HAWK HAPPENINGS

The Woodward-Granger CSD is very interested in forming effective partnerships with our two communities. Partnerships work when both parties are able to accomplish their own individual goals as well as achieve mutual goals that benefit both parties. We believe there is a tremendous opportunity to partner with one another in a joint effort to make our communities and school district thrive.

Every citizen can play a role in community and school development. Citizens can focus on strengthening the local leadership by running for a public office such as city council or the school board. In addition, there are opportunities to serve on city or school committees. Further, you can show support of the school and community by voting on issues that strengthen the economic viability and physical infrastructure surrounding our communities.

Family support is a vital component of a strong community-school partnership. The safety and well-being of our families is protected by well-trained law enforcement and emergency personnel. Citizens in our communities have access to community centers for public use and libraries for extending learning opportunities. We have chiropractic care for our citizens to ensure overall health and well-being as well as support for our companion animals. Lastly, we have a children's center to support our children in the community. These various services are examples of how we can enhance family life in our communities.

Family and community engagement is essential for an effective community-school partnership. Whether it's participating in community

celebrations like Friends and Family Day or Granger Days, enrolling in one of the many robust Parks and Rec Programs or supporting school-affiliated contests and events our citizens can get involved and engaged in their communities.

Quality education is the backbone of a vibrant and flourishing community. We want to create an effective, efficient, aligned and cohesive educational system that prepares students for a bright future. The school must use all of the community's assets as resources for learning and involve students in solving real-world problems. A couple great examples would be David Combs' Business Experience Class taking the lead in organizing the College and Career Fair on Thursday, March 12th from 5:00-7:00 pm at the high school. In addition, Andrew Hopper's Government Class investigated, developed and presented solutions to a variety of authentic community projects.

An opportunity for a strong partnership between Woodward, Granger and the school district is in reach! **Everyone is invited to the high school on Wednesday, April 1st starting at 6:00 pm.** We will have a number of food trucks in the parking lot for families to purchase meals. At 7:00 pm we will move into the commons area and the mayors and I will be discussing our common vision, mutual goals and a call to action for our citizens to get engaged with our communities and school! Mark your calendars and we hope to see you there!

Dr. Matt Adams, *Superintendent*

The BUSINESS EXPERIENCE class at Woodward-Granger High School is hosting our first college and career fair. This is an exciting opportunity for students, colleges, and companies to interact with each other to gain future opportunities. Students will have access to resources such as resume building, financial aid information, as well as a chance to interact with real businesses and colleges to create a network. Woodward-Granger would love to provide

other schools and community members with the opportunity of attending this event. We would love to show people about the potential opportunities companies and colleges offer to students. If you have any questions, feel free to contact Keith Braunschweig either via email or phone.

## Government Class

On February 11th, the Woodward Granger High School government class was able to attend a live session of the Iowa Supreme Court to listen to oral arguments in the case of Lemartec Engineering v. Advance Conveying Technologies. Students were able to sit in and listen in on the case as attorneys presented their arguments about who is at fault and should pay to fix the defects of a building in Eddyville, IA. While the case will take weeks or possibly months to finally be settled, it was a great chance for our students to see our judicial branch live in action. Following the court case, we met

with Senior Judge David Danilson who discussed his career as a Circuit Court of Appeals Judge and now Senior Judge for the court systems. Students were able to ask questions and talk with Judge Danilson about what it takes to get to his position. Finally, we were given a tour of the Iowa Supreme Court building where students were able to see where court cases are heard on a daily basis and hear about the history of some famous court cases here in Iowa. It was a great opportunity for our students, and we look forward to doing it in the future!

# 2020 State Large Group Speech

On February 2nd, W-G took four groups to state speech at Waukee. The groups performed well. Reader's Theater earned straight ones and were nominated for All-State. Freshman Improv earned an overall one, and senior improv and choral reading earned division two ratings. Reader's theater was recognized at the All-State Festival on Feb. 22nd in Ames.

# STUDENT OF THE MONTH

YOU ROCK!

## STUDENT OF THE MONTH

Polite and responsible are just a couple qualities that make Dane a perfect fit for Student of the Month!

He is a leader in class and always engages in what is going on during instruction.

Dane also does an exceptional job pulling in those around him to do keep on task as well.

He is polite and respectful to everyone, and always goes above and beyond what is expected.

Great job, Dane!

DANE POLICH  
FRESHMAN

## STUDENT OF THE MONTH

Kaydee is a hard worker and is an ideal recipient for Student of the Month!

She works hard, asks questions that show she wants to understand class material, does high quality work, participates fully in class and is willing to help classmates who may be struggling.

Kaydee has a positive attitude and shows respect to teachers and classmates, and goes above and beyond with her schoolwork.

Keep up the good work, Kaydee!

KAYDEE BENNETT  
SOPHOMORE

## STUDENT OF THE MONTH

Isabella has many qualities that make her a great choice for Student of the Month!

She has been working hard academically this year and it shows!

She does a great job turning her work in on time and is not afraid of asking for help if she needs it. Isabella likes getting feedback and is always willing to help other students who are not understanding material in class.

Great job, Isabella!

ISABELLA MILOSEVICH  
JUNIOR

## STUDENT OF THE MONTH

Chloe is a kind, funny, hard-working and dependable student. She always has her work done, and is willing to work with others in class and help them when/if she can. She always does her best work and asks questions when she is struggling.

Chloe has been a major part of the drama department for the last four years, and is an extremely hard worker whether she's on the stage or behind the scenes. She is very dependable, always shows up prepared and with a positive attitude, and is willing to do anything asked of her.

Chloe is an all-around great kid and a great role model for all the younger students here at Woodward-Granger!

CHLOE NIXON  
SENIOR

## ARTIST SPOTLIGHT

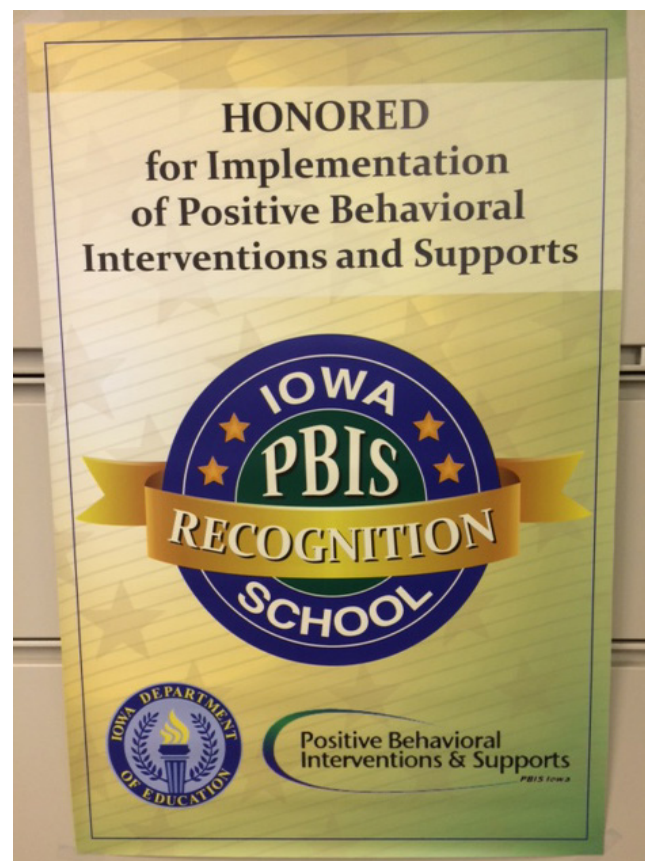

Ashland James is this month's artists spotlight. Ashland has consistently gone above and beyond in and out of the art room. Her dedication and thoughtfulness in her compositions are at the level of a professional. Not only does she put so much care and research into her art, but she is also willing to help and advise others. Great work Ashland, never stop creating!

## ELC and Elementary Receive Special Recognition for Positive Behavioral Interventions & Supports Program

The Iowa Department of Education has awarded Woodward-Granger Early Learning Center and Elementary the Honor Plus Level of Recognition for their implementation of Positive Behavioral Interventions and Supports (PBIS) in the 2018 - 2019 school year.

PBIS is a tried and proven framework that is centered on social behavior and is made up of three tiers. At the ELC and Elementary our three school-wide expectations are Respectful, Responsible, and Safe - Living with HAWK Pride. This framework provides consistent language, consistent expectations from all staff in each area of the school and the use of positive language. We want to be as proactive in heading off problem behaviors as we can instead of being reactive to them. We are excited to receive this recognition and will continue working hard to provide a safe and positive school environment.

## Elementary Art

◀ Ellen, Mia, Amanda & T.J. draw their landscape for their Starry Night or Sunny Day oil pastel.

Jace & Wesson show their excellent self-portraits. Next Art class, all of the 2nd graders will outline over the pencil lines & begin to add color with crayons. Super work, Second Graders!

Adalyn, Maggie & Eli held one of their hands like a cup while the other hand pressed the heavy-duty aluminum foil into a curved shape. Then they carefully folded back the edges to form the human figure's head.

The young artists at the ELC and Elementary Schools have been working on a special piece of art. This artwork will be inside of the Original Works Art Fundraiser packet that your child will bring home the last week of February. Each family has the option to keep their child's artwork at home or to order an item with their art printed on it.

Many families like to order these quality items and showcase their child's art. There are magnets, coffee cups, key chains, notecards, quilt blocks, tile trivets, sketchbooks and many more to choose from. The complete list of products with prices will be in the Original Works Art Fundraiser ordering packet.

The 5th graders are drawing animals, birds or sea creatures for their Original Works artwork. Fourth graders have been creating oil pastels that are done in the style of Vincent Van Gogh's "The

Starry Night" painting. The 3rd grade students drew and painted watercolors of Monarch butterflies in the fall. 2nd graders are finishing their colorful Self Portraits.

The 1st graders are working hard to finish their Tropical Fish crayon resist paintings. The Kindergarten students are making a Painted Pet project that is inspired by Eric Carle's brightly colored artwork & books. They are making their pet (or a pet they wish they had) out of paper that they painted, cut & glued down.

Please consider supporting the Art Program at the ELC & Elementary Schools. The profits from this fundraiser will be used for shelves to store clay projects on, for buying our clay, paint, colored paper & replacing brushes.

- Mrs. Kruger

## Counselor Corner

Kindness was the focus this month and it is one of Grandwood's values. The entire school participated in decorating and making a handprint mural that included an act of kindness, completed daily challenges for Random Act of Kindness Week, and ended the month with showing kindness through social skill activities.

At home discussion:

How do we share kindness with one another?

How can we spread kindness in our community?

Be on the lookout for information about our monthly topics and information from our district-wide initiative on bullying/harassment.

Feel free to contact me if you ever have any questions or concerns.

Start your day with breakfast!

Here's how you can put 5-2-1-0 into action this month:

## BREAKFAST

**WHY IT'S IMPORTANT:** A healthy breakfast gives children the nutrition their body needs to start the day. Children who eat breakfast are more likely to do well in school, have an overall better mood, eat healthier during the day and have a healthy weight.

**WHAT MAKES A BALANCED BREAKFAST?** Try to have at least two different food groups as part of a child's breakfast. Here are some examples:

- **Protein:** Eggs, nuts or peanut butter
- **Grains:** Whole-grain cereal or oatmeal
- **Fruits:** Apple, orange, banana or berries
- **Vegetables:** Chop and add to scrambled eggs or include greens in smoothies
- **Dairy:** Low-fat milk or yogurt

### National School Breakfast Week

Encourage students to eat breakfast at school by celebrating [National School Breakfast Week](#) March 2-6. The #NSBW2020 theme is "School Breakfast: Out of this World."
