## Take - A - Seat Campaign Update

We are pleased to share we've raised 90% of our \$31,000 goal! Plans are in place to install the MS/HS auditorium seats this summer. 22 people will have seats engraved with a personalized armrest plate! You can join them for a donation of only \$200. Go to [woodwardgrangerfoundation.org](http://woodwardgrangerfoundation.org) to find out how!

## Spring Staff Mini Grants Awarded

The Woodward-Granger Community School District Foundation's mission is to provide enrichment opportunities and scholarships for Woodward-Granger students and their families. With this in mind, W-G Staff were recently invited to apply for a \$500 grant to fund creative and innovative activities to contribute to students' success.

Middle School teacher, Jered Kuberski, was announced as one recipient of the grant that will be used to purchase left handed golf equipment. Lisa Anderson Principal at Grandwood, was the other recipient. Equipment for a Gross Motor Room will be purchased to better support learning needs.

Additional cycles for grant applications will be available for any W-G Staff next year. The grant deadlines are October 1 and February 1.

The W-G Foundation Board thanks Superintendent Brad Anderson for five years of service on the Board. Mr. Anderson was a consistent liaison with a wealth of insight into the needs and wants of staff and students across the entire district. We value his experience and positivity, and he will be sincerely missed.

May

FEATURE:

National Physical Fitness & Sports Month

Here's how you can put 5-2-1-0 into action this month:

**MAKE YOUR OWN:**

**ACTIVITY SPINNER**

**Materials needed:**

- Paper plate
- Arrow (made from paper)
- Brass fastener
- Marker

**Instructions:**

- Divide your paper plate into at least 4 sections.
- Put 1 activity you enjoy in each section. It doesn't have to be limited to sports or exercise — think outside of the box! Include some activities that don't require equipment or can be done indoors.
- Use a brass fastener to secure your arrow to the paper plate.
- Decorate with markers or stickers.
- The next time you're bored or need a brain break, use your Activity Spinner to get moving!

**MOVE MORE IN MAY!**

National Physical Fitness and Sports Month is a time to highlight the importance of staying active!

Celebrate by promoting the importance of 60 minutes per day of physical activity and providing opportunities to be physical activity at school and at home.

**VISIT:** [Action For Healthy Kids](#) for tips and activity ideas to celebrate in your site or home.

**SPREAD THE WORD:**

We're moving more this May to celebrate National Physical Fitness and Sports Month! **#HealthyChoicesCount**

60 minutes everyday! That's how much we move and play. **#HealthyChoicesCount**

# KINDERGARTEN

**Our class had a wonderful time with Mrs. Steele for our Junior Achievement Economic lessons. We learned about making choices, needs and wants, the concept of money, earning and saving, and how to give to worthy causes. Mrs. Steele was a wonderful leader for our JA experience!**

## Psychology Elementary Activity

Back in early April, the high school psychology students went over to the ELC and Elementary buildings to work with students there as part of their developmental psychology unit for psychology. The high school students developed three different activities for different levels of elementary age students. They also asked the elementary students questions about things they learn in school, families, and many other topics that the elementary students were wanting to share and talk about. The purpose of the activities were to help the high school students better understand how children develop from infancy through middle childhood. The high school students went in two sessions with the

morning session including visits to Leunberger and Masker's Preschool class, Huenke's 5th grade class, Smith's 2nd grade class, and Winkel's 5th grade class. The afternoon session consisted of visits to Leunberger's Preschool class, Carlson's 4th grade class, Hunt's 1st grade class, Tyler's 1st grade class, and Tallman's 2nd grade class. It was a very busy day for both the high school and elementary students, but overall a large success and a great chance to build relationships across the district!

Below are pictures from our fun day!

## Large Group Speech

Seniors

Reader's Theater

## *Season Recap*

The 2018-2019 Speech season was once again, successful. The season started in October with our annual speech camp. At speech camp we had three speech newcomers who worked with twenty two returning speech students.

The season kicked into full gear in December when students started practicing for large group speech. This year, we had twenty one students perform in six different events. Reader's Theater and our upperclassmen improv group qualified for and earned division I ratings at state. Finally, we ended the season in March with individual speech. We had twenty students perform in twenty eight events. Of those, fifteen events qualified for state, with Briley Bermel, Mackenzie Major, and Asher Little all qualifying in two events. Briley Bermel earned straight ones in both events. Sophia David and Kailie Beggs both earned straight ones in each of their events. The season wrapped up with All-State, where Kailie Beggs performed her self written Literary Program, entitled "Confessions of a Teenage Girl".

Overall, the season was a success. We will say goodbye to seven seniors, Briley Bermel, Mallory Burkhart, Megan Burkhart, Sophia David, Whitney Halferty, Mackenzie Major, and Tyler Montague, at our Awards night on April 16th @ 7:00pm in the HS Auditorium.

*Thank you to our families, friends, and fans who supported us this season!*

## Happy Spring!

As the school year draws to a close, we are proud of what we've accomplished and excited about what the future will bring to the Library Program. A lot of emphasis was placed on collection development at all three buildings and we have added hundreds of new titles to the shelves.

In addition, we added actual shelves to the MS/HS library. The nonfiction section was moved and new shelving installed to hold those copies. We hope to continue with the upgrade and replace the fiction shelving in the months to come. In addition we have replaced the dated circulation desk and tables and chairs with more contemporary and ergonomic furniture. The new tables are unconventional in shape, but they can fit together in a variety of ways to create collaborative space for our students. With the help of a generous grant from the Dallas County Foundation, we will soon have three sets of cafe height tables and chairs, another set of collaborative tables and additional chairs. Soft-sided furniture is on our wish list as well. When finished, the MS/HS library will be an inviting, comfortable space for students to meet in groups, study, research and of course READ!

Remember, you still have access to Iowa AEA Online Resources throughout the summer. You can find links on the [WG Libraries Website](#).

On February 24th students from Grandwood played a round of Disc Golf at Edgewood Park in Madrid. They began working on their skills in PE class in the fall and over the winter. The students used 14 discs and a goal that were donated by Alek Mocarski's family. Another donor, Titan Disc Golf in Des Moines, donated 26 used discs from their lost and found to Grandwood's PE program. This made it possible to take a large group of kids out to play on a real Disc Golf course. The students had a great time and showed off their skills, both athletically and socially. Disc Golf is a life long game that is affordable and accessible to people with various ability levels. Everyone can have fun, be social, and get exercise when playing Disc Golf. If you are lucky, you might get invited by one of our students to join them in a round or two.

# GRANDWOOD NEWSLETTER

Grandwood will provide functional and transitional learning experiences in a positive and structured environment while advancing student independence.

## WISH LIST

- Kleenex
- Hand Sanitizer
- Dry Erase Markers
- Notecards
- Plastic Silverware
- Binder clips
- Glue sticks

## MAY REMINDERS

Please contact your student's teacher for specific details.

**No Wednesday early outs.**

**Grandwood Graduation- May 14th  
@1:00pm**

**Last day of school- May 24th (No  
Early Out)**

## WHAT'S GOING ON AT GRANDWOOD Art Project

*"It was awesome! I slept with it very well" - Chris Dhabalt*

Mr. Evans class made their own individual pillows during arts and crafts this month. All five students hand made their own pillows. They picked their own pattern, cut, stuffed and tied their pillows. The students did a great job following all the directions. The pillows turned out great. They enjoyed making the pillows and were excited to take them home and use them.

# Grandwood Is Moving!

*Grandwood will be relocating to the new building in Granger*

## Volunteers are

## NEEDED!

Volunteers are needed to help move Grandwood on August 5th.

Volunteers and staff will be reporting to the Grandwood located in Woodward at 8:00am to start.

If you would like to volunteer to help move on August 5th please complete the following google form so we are able to organize the move.

<https://forms.gle/awrdsZ8WAnr3yqzQA>

*Special thanks to Fareway for donating a truck for a day to move all of Grandwood!*

May 2019

## Harvest of the Month

Asparagus

### FUN FACTS:

#### King of Vegetables & Vitamin Powerhouse

Asparagus spears can be green, white or purple. White asparagus is the same as green asparagus but it is grown below the ground in the dark, and is harvested below the ground. Purple asparagus turns dark green when cooked.

Asparagus is high in dietary fiber (good for your digestive system), and one of the best sources of folate (keeps your blood healthy).

With the right weather, spears can grow 1 inch an hour.

This institution is an equal opportunity provider.

## The Power of Asparagus

Asparagus is a tasty spring vegetable that is loaded with nutrients and health benefits. Grill, roast or stir-fry your asparagus to reap the benefits this powerhouse has to offer.

**Nutrition Benefits:** very good source of fiber, folate, vitamins A, C, E and K and chromium. Important nutrients to keep our bodies regular, healthy and energized.

**Packed with Antioxidants:** neutralizes damage causing free radicals while slowing the aging process and reducing inflammation. The antioxidant glutathione also is found to help protect against bone, breast, colon, larynx and lung cancer.

**Brain Booster:** according to Tufts University, individuals with healthy levels of folate and vitamin B12 performed mentally better. The folate in asparagus works with vitamin B12 – found in fish, poultry, meat and dairy – to prevent cognitive impairment.

**Natural Diuretic:** the amino acid asparagine in asparagus helps your body get rid of excess salts and retained fluid, which is beneficial for individuals who suffer from edema and those with high blood pressure or other heart-related diseases.

Melanie Wirth, RDN, LD, MBA  
Corporate Dietitian, Taher, Inc.

## HARVEST OF THE MONTH RECIPE—MAY

### Asparagus with Mediterranean Salsa

Yield: 6 servings

#### Mediterranean Salsa

1 lbs cherry tomatoes, chopped  
1 shallot, finely chopped  
1 Tbs chopped garlic  
1/2 cup rough chopped parsley  
1/4 cup shredded fresh mint  
1/2 Tbs Kosher salt  
1/2 Tbs black pepper  
3 tsp fresh lemon juice  
2 Tbs olive oil

#### Asparagus

1 lbs fresh asparagus, trim tough ends  
1/8 cup olive oil  
1/2 Tbs Kosher salt  
1/2 Tbs black pepper  
Zest from 1 lemon

Make the Salsa in a mixing bowl. Add all ingredients and fold together. Let sit for a minimum of 1 hour before serving to blend flavors.

To cook asparagus, lightly toss in oil with salt, pepper and lemon zest. Place in a 350°F oven until it turns bright green with a little crunch. Place on a platter and top with the Salsa. Serve and enjoy!

#### NUTRITION SNAPSHOT ~ 1 serving

85 calories, 4.8g total fat, 0g saturated fat  
790mg sodium, 0g cholesterol, 3g fiber  
4g sugar, 9g carbohydrate, 3g protein

Congratulations to our most recent students of the month who were honored an assembly recently. At this time we also had our 4th Annual Hair Donation Assembly. At this assembly, 24 students and 3 adults participated in cutting off at least 8 inches of hair, totaling 18 ft., to donate to the

organization Children With Hair Loss. This organization gives wigs and hair pieces to children with medically related hair loss each year until they have reached the age of 21. They do not require recipients to pay for wigs at all. It was a very successful assembly this year.

## Woodward-Granger Board of Education

These are the Board members who represent the stakeholders in our district:

Ashley Brandt - President  
Jennifer Benbow - Vice President  
Tim Bogardus - Director

David Elliott - Director  
Troy Janssen - Director

**Thank You**  
to these individuals who serve our district.

Woodward-Granger Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact: **Rebekka Maass**, 1251 334th Street Woodward, Iowa 50276, (515) 438-3240 or rebekkamaass@wghawks.school or to the Chicago Office, Office for Civil Rights, U.S. Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, IL, 60661, and (312) 730-1560.
