Community School District

November 2015

2015-16 Football Season

Summer Construction Plans 2016

By Brad Anderson, *Superintendent*

Woodward-Granger
CSD Superintendent of School
banderson@wg.k12.ia.us

On behalf of the Woodward-Granger CSD we would like to extend a heartfelt "Thank You to the family of the late Virginia Siglin for the generous monetary donation to both the W-G Elementary and MS/HS Music Departments. We appreciate your kindness and generosity.

District Finalizing Remainder of GO Fund Projects

Plans are currently underway regarding the next phase of the \$9.85 million dollar General Obligation Funding upgrades for the MS/HS and the current Early Learning Center. There are many things being considered in this upgrade and include both functional and cosmetic upgrades. These plans are all subject to funding availability and include but are not limited to: AC in both the MS and the ELC, New safety vestibule at the ELC, upgrade of windows, lighting and ceiling grid, fresh paint where needed.

The timeline for this project will be to bid the project in February with potential work to begin as early as this spring. In addition to these projects the district is finalizing the new MS Roof and the HS parking lot. These projects are scheduled to be completed in mid-November.

Please be watching for an additional mailing coming soon in Mid-November with information regarding the District's Annual Progress Report.

school

If you have questions regarding any of these project and/or the timelines feel free to contact the W-G Central Office at 515-999-8022. M-TH 8-4 and F 8-3:30.

The Woodward Granger Community School District does not discriminate based on gender, race, color, sex, gender identity, religion, national origin, creed, age, marital status, sexual orientation, or disability. Inquiries and grievances may be directed to Brad Anderson, Educational Equity Coordinator, 306 West 3rd Street, Woodward, IA 50276, (515) 438-4263, or to the Chicago Office, Office for Civil Rights, U.S. Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, IL, 60661, (312) 730-1560.

ELEMENTARY

Friday October 9th was the Granger Elementary Fundraiser Fun Run/Walk. All of the festivities were at the WG Elementary site. Parents and siblings were welcome to participate.

The PTO requested that each grade level wear a different color. Here was the list!

- 5th grade: RED
- 4th grade: ORANGE
- 3rd grade: YELLOW
- 2nd grade: GREEN
- 1st grade: BLUE
- Kindergarten: PURPLE
- Preschool: PINK

HUGE SHOUT OUT TO THE WOODWARD-GRANGER PTO...FANTASTIC FUNDRAISER AND AN EVEN BETTER WAY TO END IT! THE KIDS LOVED IT! OVER \$20,000 RAISED!

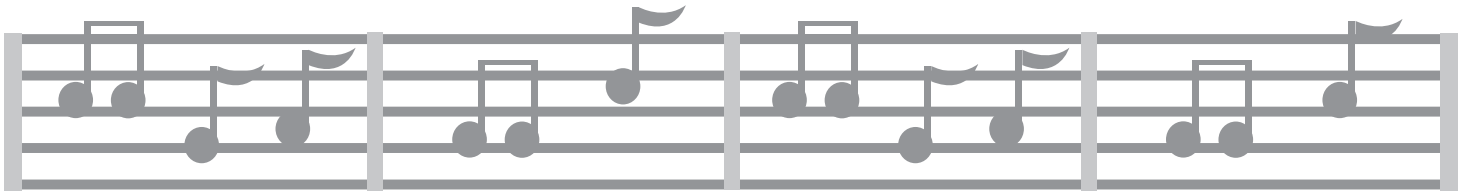

ELEMENTARY

Woodward-Granger Elementary will be hosting a Scholastic Book Fair this month during Parent-Teacher Conferences. Stop by the media center between 3:00 and 7:45 pm on November 10 & 12. If you can't make it then, we will have another fair on December 3, the night of our Early Learning Center Winter Concert. That one will be located near the entrance to W-G Elementary. Come check out the newest titles, as well as those favorite series like *Pete the Cat*, *Fly Guy*, *Dork Diaries*, *Lego*, *Puppy Place* and *I Survived...* We'll even have the new release of *Diary of a Wimpy Kid: Old School!*

On October 16 WG Elementary and ELC were treated to a visit by author David Sargent and his performing pups! David entertained the students during two assemblies, and then met with classes in smaller groups to discuss the writing process and how he comes up with the stories for his many published books. David and his canine friends were a big hit!

ELEMENTARY

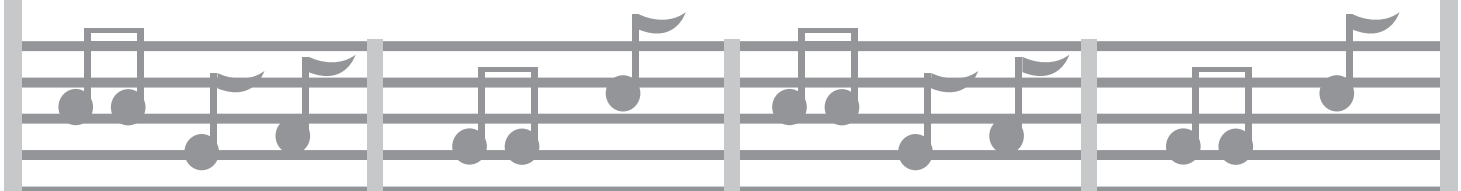

MARK YOUR CALENDARS.....We have a few changes in regards to elementary music concerts this year. We have built a beautiful new building and the plan has always been to be able to host our own concerts upon completion. That being said, the PreK - 5th grade population is above 500 students and changes in how we accomplish this are needed. All concerts will be hosted at the WG Elementary location, except for Parade of Bands...so here we go:

1. **December 3** will be the **PreK Winter Program at 6:30**
2. **December 3** will be the **TK - 1st Winter Program at 7:30**
3. **March 10** will be the **5th - 12th Parade of Bands at 7:00**
4. **March 22** will be the **2nd & 3rd Spring Concert at 7:00**
5. **April 28** will be **5th & 6th Band Solo Night TBD**
6. **May 10** will be **4th & 5th Spring Vocal & Band Concert at 7:00**

If you have any questions, feel free to contact myself at matt.brummond@wghawks.school or Mrs. Geerdes at nicolegeerdes@wghawks.school
Thanks and have a great day!

Mrs. Geerdes and Mr. Brummond

◀ **Brad Anderson** and **Matt Brummond** received the Distinguished Service Award from Art Educators of Iowa on Friday October 2. Mrs. Kruger nominated them for their outstanding commitment to the elementary art program.

MIDDLE SCHOOL

CROSS COUNTRY

Middle school cross country wrapped up a successful season Oct. 15th at our Conference Meet in Panora. The Jr. High girls finished in second place to Earlham. They were led by Natalie Helbling who ran the 2 mile course in 14:59 which was good for 3rd place. Also receiving all conference honors was Emma Drake who finished 8th overall with a time of 15:37. The rest of the scoring was Lauren Horn(9th), Erin Schiltz(17th), and Bree Spinler (29th). Mollie Frost was also a member of the Jr. High girls squad this year. The Jr. High boys finished 2nd to Earlham as well. All conference runners were Matt White(7th), Jeremy Romitti(8th), and Jason Renze (9th). Michael Miller ran a 16:00 to finish 23rd. Trevor Faltonson and Andrew Anderson also ran this year for the Jr. High team. Great job this year runners!

FOOTBALL

Our Middle School boys and girls represented our school well, starting the season with one of our largest teams in recent history. The combination of talent and teamwork exhibited by our kids led to very successful seasons for both 7th and 8th grade. It will be fun to watch as they move on to the next level.

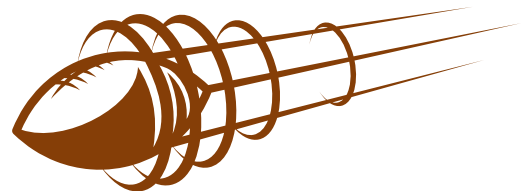

- Colfax-Mingo** 8th grade won 36-0
7th grade won 30-0.
- Roosevelt** 8th grade won 26-6.
7th grade lost against their
8th grade B team 12-22.
- Ogden** 8th grade won 22-6.
7th grade won 34-8.
- CMB** 8th grade won 58-0.
7th grade won 30-6.

Madrid

8th Grade - The eighth grade game was the closest game all year. After starting the game down 14 points the team rallied to take the lead late. Madrid took the lead back with about 2 minutes remaining. WG was able to score on a 4th down to win the game. Final score: WG 24 Madrid 20.

7th Grade The 7th grade team controlled the game from the start. The final score was 30-6 WG.

Panorama - Tuesday 10/19 4:30 @ Hawk Stadium

MIDDLE SCHOOL

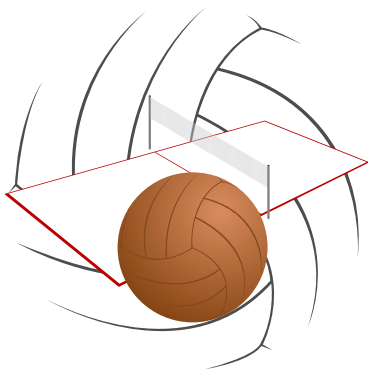

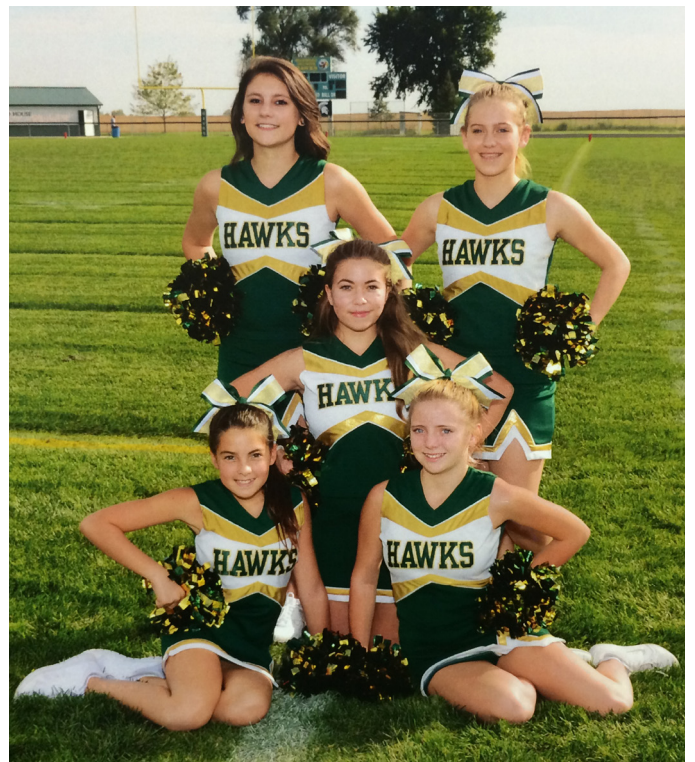

VOLLEYBALL

We had quite a few girls go out for volleyball this year. We had 9 8th graders and 15 7th graders. The girls worked hard in practice and it showed in games with the 8th graders having an undefeated season. They were able to pass, set, and hit consistently toward the end of the season. When they had a kill they were so excited. They will do well next year in high school. The 7th graders had 2 losses, 4 ties, and 2 wins. With having 15 girls on the team and at all different levels to start the season it was challenging for the girls and the coaches. After a couple of weeks all the girls were able to serve the ball over the net and pass the ball to the target. The girls saw that their hard work pay off when we did some of the same drills from the beginning of the season and they got through them much easier. We are very proud of the girls for their hard work and each of their own personal accomplishments.

CHEERLEADING

Congrats to our Fall MS Cheerleaders on a fun and successful season. The girls took on new cheers and dances and did a great job of leading the school and crowd with lots of HAWK SPIRIT!!

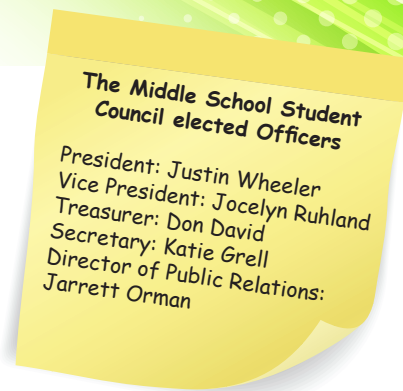

MIDDLE SCHOOL

Y Camp Leadership Trip

By the time you read this we will have completed our third annual trip to Y Camp with our 8th graders. This is a great opportunity for our students to learn in a nontraditional setting and practice skills they will need throughout life. The cherry on top is that we have a lot of fun doing it. The students work on communication and relationship skills, then practice them by completing challenge activities as individuals and groups. Students also participated in a night hike involving nature and science followed by campfires. We consider ourselves very lucky to have this opportunity each year and it is fun to talk with current high school students about what they remember from when they went on this trip as 8th graders. Thank you to the Middle School PTO, Myrna Mayfield Trust and to those who have contributed to middle school fundraisers. Without your support this experience would not be possible. There are many important things to learn in school, but there are also many that can only be learned outside of our walls. It is a pleasure to be a part of it.

Hawk Time Clubs

What started as ideas from last year's leadership class has found a home in Hawk Time. Last year students in our leadership class were asked to come up with ideas to improve our school. Several of these groups felt passionate about expanding the opportunities kids had in our middle school. The next step was to create time. As last year ended and the summer began, with preparation for this school year, the decision was made to add Hawk Time to the schedule. While this provided an opportunity for additional supports to be offered students struggling in the areas of math and reading, it is also meant for students to extend their learning beyond what they are learning in their regular classes.

Our clubs allow students opportunities to try new things and use their skills in new and different ways. For students with natural gifts in certain areas it provides them time to further develop those skills. For others, it is an opportunity to try something they may otherwise not have been able to participate in. The clubs have been student and teacher driven, which is certainly part of their popularity. This year's clubs currently include FFA, Art, Ultimate Frisbee, Pop Culture, FCCLA, Horses and Drama (organized by a high school student who started it last year as part of the leadership class).

Cultural Opportunity

On November 9th our 7th and 8th grade students will have an opportunity to attend a play at the Temple Theater in Des Moines. The play, *The Shape of a Girl*, is based on a true story and addresses the topics of peer relationships and bullying amongst teenagers. It is not only an opportunity for our students to have a cultural experience of attending a performing arts event, but also to spark important and challenging conversations about real life challenges many of our students will face in one way or another.

Grandwood Consortium

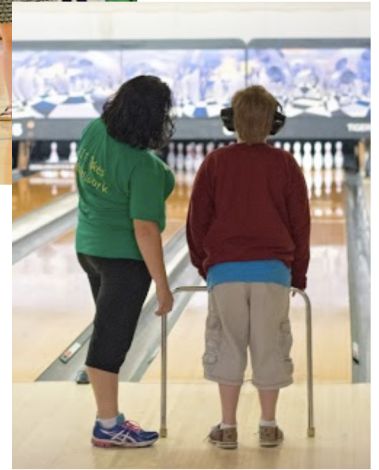

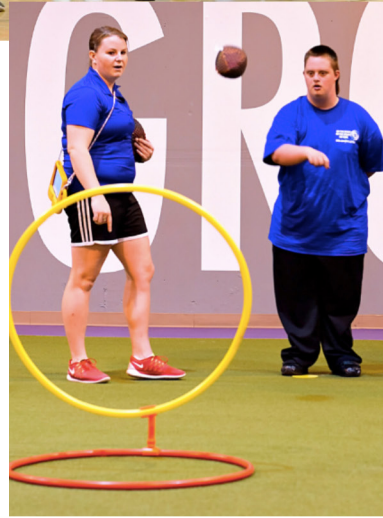

In October, 2012 Grandwood Education Center became a consortium made up of 28 districts. The districts meet quarterly to discuss finances and get updates on Grandwood activities. The districts, as members, are able to request observations and placement of students within the consortium. With the consortium, this means each district has input on the business side of the educational system at Grandwood.

education center

WHAT A BUSY MONTH!

October has come and gone already! Where has the time gone? October was a busy month at Grandwood. We have spent some time preparing for Special Olympics Bowling which took place on October 15th. All of the students did such a great job!! We also had the opportunity to participate in the pep rally this year for homecoming which was an awesome experience for both the students and staff. We have also taken several Community Learning Experiences during October. A big hit was Deals Apple Orchard! That is always a nice thing to look forward to this time of year. We also went to Courage League Sports to help us stay active. We ended our month with the October Hi 5 to celebrate our PBIS values of patience, honesty, kindness, and trust. What a great month it has been full of fun and a lot of learning!

Thanksgiving Holiday—November 25-27

Woodward-Granger Drama Department Presents "Leaving Iowa"

Friday, November 6th at 7:00 pm and
Saturday, November 7th at 7:00

WG Drama will be presenting "Leaving Iowa," Nov. 6 & 7, 2015. "Leaving Iowa" is a hilarious, familyfriendly comedy that is a toast to the idealism and character of parents from the "greatest generation," and a little roast of their dedication to the family road trip. "Leaving Iowa" is for anyone who has ever found themselves driving alone on a road, revisiting fond memories of their youth. The story centers on Don Browning, a middle-aged writer who returns home and decides to finally take his father's ashes to his childhood home, as requested. But when Don discovers Grandma's house is now a Walmart, he begins traveling across Iowa in search of a proper resting place. As he drives those familiar roads, the story shifts back and forth from the present to memories of the annual, torturous vacations of Don's youth. Ultimately, Don's journey leads him to reconcile his past and present at an unpredictable and perfect final destination (Leaving Iowa).

Cast Includes: Rodney Pearson, Dakota Lisle, Meredith Williams, Rylee Nixon, Gavan Pearson, Alex Frost, Mackenzie Major, Andrea Sommer, Nate Devick, Camelin Cochrane, Paige Harlan, Elizabeth Weyers, Josie Noland, and Bailey Noring

High School Business

The High School Business program students will be able to make a great real world connection between what they have been learning in the classroom with an upcoming field trip. Students in the Marketing and Accounting courses will be headed to the Iowa Events Center and Wells Fargo Arena in Des Moines on November 5th. The field trip will consist of a tour of the facilities, they will attend an Iowa Wild Hockey game and will meet with the Front Office staff of the Iowa Wild for a Q & A session after the game pertaining to their Marketing/Pricing Strategies. Then, students will also take on a challenge from the Wild's staff in developing a Marketing Strategy for the Iowa Wild that is focused on college students.

Come to the (Mock) Trial of the Century! The State of Iowa Vs. Ty Tanney Monday Night December 14th

The Defendant pleads not guilty to the charge of Operating a Motorboat while Intoxicated Resulting in Death of Hamnet Stratford in violation of Iowa Code Section 462.A14(2)(E). A program of The Iowa State Bar Association Center for Law & Civic Education In cooperation with the Young Lawyer's Division Of the Iowa State Bar Association Presented by Woodward-Granger Middle School Students! Woodward-Granger Staff, Teachers, and Administration on the Jury!

Bricks for the Future and a Celebration of the Past

We would like to invite you to share with us in becoming a part of Woodward-Granger Hawks baseball history. To commemorate and celebrate our rich WG baseball history and tradition, we have constructed a wall of bricks which is a part of the baseball backstop at Woodward-Granger Hawks Field.

A commemorative 4” x 8” single engraved brick is \$100. They are a great way to recognize children, grandchildren, past players, families and friends. The bricks leave a lasting memory for those who follow.

HIGH SCHOOL

The Benefits of Senior Projects at Woodward-Granger

Senior Projects are required of every senior at Woodward-Granger. The twofold purpose of the senior project is to give back to the people who have helped provide opportunities for success and to have seniors prove that they are ready to enter the world as productive members of our democratic society. Students are to prove that they have skills in writing, speaking, organization, persistence, follow-through, and meeting deadlines. The project consists of four main parts: a community service project, a presentation of that project, a senior-level research paper (completed in a class), and a final portfolio binder that demonstrates all the elements and requirements of this project.

Some of our 2015-16 seniors have already completed their projects. One of these students is Karissa Stevey. Karissa planned and carried out the Little Miss Woodward Pageant during Friends' and Neighbors' Day in early June. When she presented her project, Karissa talked about how exciting it was to work with the contestants during this pageant. She had to plan the event, get word out to prospective participants, coordinate with the town committee on when and where it would be held, figure out the prizes, and line up judges for the event. She had to overcome obstacles such as lining up additional judges when some judges could not serve on the day of the pageant. Having such a pageant helps to create community spirit with children representing their community in a positive way.

Meagan Bandstra planned an alumni softball game at the field in Woodward. She found that the event planning took lots of organizational and communication skills. Meagan said that she has enjoyed softball so much, and she was looking for a way to get softball players together in an enjoyable event. She was also looking for a way to raise money to keep the field maintained in the future. In

addition to inviting former and present softball members in the communities of Woodward and Granger, Meagan opened participation in the game to women in other communities which widened the circle of camaraderie and the love of softball. The event was held in July, and 32 women participated. A meal was served for the participants to enjoy; the meal also provided an opportunity for getting acquainted/reacquainted and for sharing life experiences. The entrance fee for the event minus expenses is being saved for work on the fields in the future. Meagan hopes this event will be an ongoing event in the community to promote continuing participation in a loved sport and to connect with others who have some of the same interests.

Other seniors have completed their projects, and some are busy planning and completing theirs; all projects must be complete by April 1, 2016, for this year's seniors. The range of topics is wide, and the benefits are many for the seniors themselves and for the communities involved.

Babysitting Clinic

Tues., December 29 and Wed., December 30 from 9 a.m.– noon
Granger Community Center, 2200 Walnut St.
Registration Fee is \$25/youth

This clinic for youth in 5th grade and above will cover:

- **Basic first aid and safety**
- **Age-appropriate activities**
- **Typical child behaviors and development**
- **Caring for infants and young children**
- **Proper nutrition**
- **Parent expectations**

**Register through
Granger Parks and Rec**
