**GO HAWKS!**

**District Participates in Healthiest State Initiative Walk**  
As part of Iowa's Healthiest State Initiative, students at WG MS/HS participated

FCCLA is in full swing again this year at Woodward-Granger. A few of our chapter members had the opportunity to attend Fall Leadership Rally. These kids had the great opportunity to hear from some motivational speakers as well as discover even more options that are available to them by being members of FCCLA.

# District Meets Board of Education Goals for Fiscal Year 16 Budget

by Brad Anderson Superintendent

**Woodward-Granger**  
CSD Superintendent of School  
banderson@wg.k12.ia.us

In October of 2015 the Woodward-Granger Board of Education in a public work session sat down and analyzed the fiscal status of the district. From this analysis the board set specific financial goals related to the 2016 budget. These budget related goals were as follows:

Goal	Steps/Strategies	Resources Needed	Outcome
Financial Planning	<ol style="list-style-type: none"> <li>Utilize financial services (ISFIS/Grantwood/IASB) resources to improve decision-making.</li> <li>Conduct on-going financial education yearly for board.</li> <li>Create a 3-5 year comprehensive fiscal plan for the district</li> <li>District will maintain a min. of 10% solvency ratio</li> </ol>	<ol style="list-style-type: none"> <li>Rely on the various resources to improve the decision-making process.</li> <li>Hold special work sessions for the board and the general public to learn more about the District's finances.</li> <li>Provide time for the board to review financial data and to create a short-term (3-5 years) and long-term (5+ years) financial plan.</li> <li>Do what is necessary in the budget to maintain a 10% solvency ratio.</li> </ol>	<ol style="list-style-type: none"> <li>3-5 year financial forecasting document to be created.</li> <li>Communication regarding district financials will increase for all patrons of the district.</li> <li>Maintenance of a strong fiscal budget for the district.</li> </ol>

In creating these goals the board articulated a vision of how they intended to maintain and position the district financially for the future. These goals were established based on limits and recommendations of the Iowa Association of School Boards.

The district was able to utilize both local Grantwood accounting financial resources and information available from the Iowa Association of School boards (see 7 financial indicators attached) to improve the overall financial forecasting and decision-making. In addition, the board and Superintendent analyzed monthly revenues and expenditures available to the school's General Fund account. This allowed for adjustments to expenditures to be made on a monthly basis.

At the end of the 2015-16 school year the \$11 million dollar general fund budget ended \$10,813 to the positive ahead of the previous year. This minimal change indicated an overall balanced budget for the year. In addition the district solvency ratio (undesignated/unreserved general fund balance/actual total receipts of the district for the year) ended at the year at 10.75%. In the end, the financial goals of the district were met for the FY16 School year.

*continued on page 4*

Select School District:		Woodward-Granger		<b>Seven General Fund Key Financial Indicators</b>											
7110		School District #													
KEY MEASURE	TARGET	QUESTION TO BE ANSWERED?		<b>Enrollment</b> 											
Certified Enrollment	Stable or growing	Will our enrollment allow us to continue to be a viable district, educationally and financially?													
Unspent Authorized Budget (UAB) Ratio	5% - 15%, recommended not to exceed 25% (< 0%: SBRC Workout Plan)	Are we within legal minimums? What do trends tell us? Required SBRC Workout plan if negative.													
Annual Unspent Spending Authority	Build to UAB Ratio goal--stabilize at 0%	Are we spending all authority generated for a given year, using prior years spending authority, or building levels too high?													
Solvency Ratio (General Fund)	5% - 15%, recommended not to exceed 25%	Can we manage short and long term unexpected demands on cash?													
% Revenue Spent	Build to Solvency Ratio goal-then stabilize at 100%	Are we using all of our resources each year and only spending funds with spending authority?													
Salaries and Benefits	75%-82% - then stabilize	Are salaries and benefits at levels we can sustain?													
New Money %-Settlement %-Change in Salaries/Benefits %	Less than or equal to District Allowable Growth and/or at state average	Are salaries at levels we can sustain? Are we competitive? Are our trends reasonable? Can differences be explained?

## Foundation Grant to Benefit Sixth Grade Literacy Students

The Woodward-Granger Community School District Foundation's mission is to provide enrichment opportunities and scholarships for Woodward-Granger students and their families. With this in mind, W-G teachers at all levels were recently invited to apply for a \$500 grant to fund creative and innovative activities in the classroom and contribute to students' success.

Middle School teacher, Emily Perrin, a sixth grade literacy teacher, was announced as the recipient of the grant that will be used to purchase

classroom iPads. Ms. Perrin is excited to use the iPads for differentiating assignments for reading groups, for Daily Oral Language, for gathering relevant and reliable information, and for proofreading and editing students' work.

An additional cycle for grant applications will be available for any pre-K through twelfth grade teachers next year. The grant deadline is October 1. For more information, visit the Woodward-Granger Community School District Foundation website.

Congratulations to Ms. Perrin and her sixth grade students who will benefit greatly from this grant!

# ELEMENTARY

The beginning of the year is off to a great start in Kindergarten! After spending our first few weeks learning about each other and the school routine, the kids are anxious to learn to read! We have started by learning to recognize and write the letters of the alphabet. We are also working to master the sounds each letter makes. Next, we will begin putting those letter sounds together to make words.

During our science time we have been learning about the seasons, the life cycle of an apple, and the 5 senses. We have also enjoyed watching and charting the weather. We've noticed the leaves changing colors, and the temperature cooling down. The students have been very interested in the changes associated with the new season.

As a part of our apple study we took the kindergarten class to the Center Grove Apple Orchard. While we were there we were able to observe the apple sorting room, take a hayrack ride, play in a corn pool, go down the big slide and many other fun activities! It was definitely a great experience and the students have already been asking about our next field trip!

Our kindergarten class is full of enthusiasm and curiosity. The students are anxious and excited to learn about the world around us. We have a lot of fun, but we also practice our Hawk 5, and work to be the best we can be. It's definitely going to be a great year!

## JUNIOR HIGH

My name is Skylar Wolf and I have had the opportunity to student teach for Mr. Wunschel over the past 8 weeks. During this experience I have built relationships that I will never forget and not only have I taught science, I have also learned endless amounts of information that you don't get from regular classes. I am a senior at the University of Northern Iowa studying middle level education dualied with elementary education. Upon graduation, I will be certified to teach 7th and 8th grade math, science and social studies along with an elementary certification. During my free time, I enjoy being outdoors and playing sports like golf and basketball. Though my time at Woodward-Granger is coming to a close, I have had the opportunity to take control over a middle school classroom and feel as if it were mine. I have also had the opportunity to volunteer and help out the coaching staff for the 7th and 8th grade football teams. This is an experience that I will never forget and I thank you all for letting me be a part of it.

## GRANDWOOD

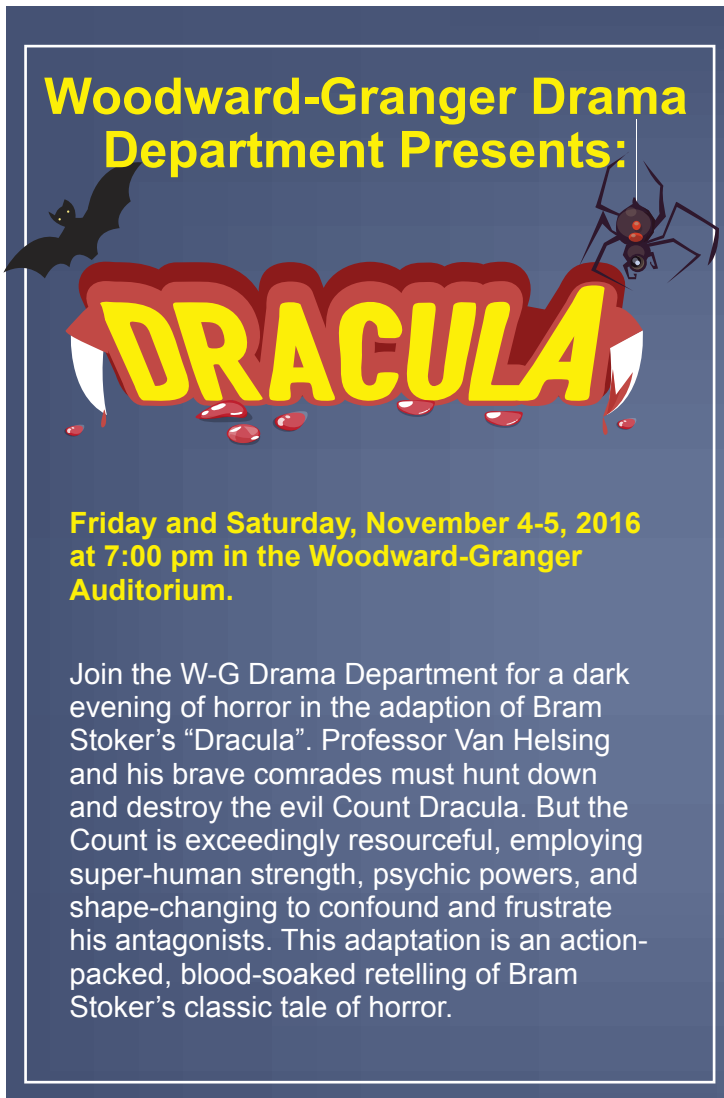

October has come and gone already! Where has the time gone? October was a busy month at Grandwood. We have spent some time preparing for Special Olympics Bowling which took place on October 20th. All of the students did awesome!! We have also taken several Community Learning Experiences during October, including a play at the Civic Center. A big hit was Deals Apple Orchard. That is always a nice thing to look forward to this time of year. We also went to Courage League Sports to help us stay active. We ended our month with the October Hero Huddle to celebrate our PBIS values of patience, honesty, kindness, and trust. What a great month it has been full of fun and a lot of learning!

# HIGH SCHOOL

## Fall Play

On Friday, November 4th, and Saturday, November 5th, the drama department will perform Dracula. Showtimes are 7PM both nights. Come if you dare...

A poster for the play 'Dracula' featuring a bat, a spider, and a blood splatter. The text reads: 'Woodward-Granger Drama Department Presents: DRACULA' and 'Friday and Saturday, November 4-5, 2016 at 7:00 pm in the Woodward-Granger Auditorium.'

**Woodward-Granger Drama Department Presents:**

# DRACULA

**Friday and Saturday, November 4-5, 2016 at 7:00 pm in the Woodward-Granger Auditorium.**

Join the W-G Drama Department for a dark evening of horror in the adaptation of Bram Stoker's "Dracula". Professor Van Helsing and his brave comrades must hunt down and destroy the evil Count Dracula. But the Count is exceedingly resourceful, employing super-human strength, psychic powers, and shape-changing to confound and frustrate his antagonists. This adaptation is an action-packed, blood-soaked retelling of Bram Stoker's classic tale of horror.

On Thursday, November 24th, as a way to show thanks for the generosity of the communities we serve, the Woodward-Granger High School / Middle School will be hosting the 3rd Annual Thanksgiving Dinner. Dinner will be served from 11AM-1PM, and is free and open to everyone in the community. Come and enjoy turkey, mashed potatoes and all the trimmings. If you would like to request transportation services, please contact the WGHS office at (515) 438-2115.

## With Sincere Gratitude

I am old enough to know I do not know everything, and I would like to thank the following people for helping me this fall as I have assumed the concession stand duties.

- **Shad and Angie Kirton** - Thank you for your patience in "speed" teaching me the main points in managing the concession stands. Your ideas, continued support, and willingness to educate me has made our concessions stands more successful.
- **Kathy Nixon** - Thank you for your willingness to be the sponsor for the junior class and by keeping me organized during the fall seasons. While you thought you might have been bothering me with messages, you kept me informed and focused on improving what we offer. Plus I would have forgotten to "heat the cheese" many times with your support.
- **Junior Parents and Anyone Who Worked at a Concession Stand** - Thank you for your hard work and dedication. You handled the transition to the iPad era with ease, and increased our sales. Without you and your efforts, we would not have been as successful.
- **David Combs and your Accounting Students** - Thanks for creating the dashboard for the iPads to allow our concession stands to accept credit cards. Additionally, the iPads have aided in tracking inventory.
