A monthly publication of the Woodward-Granger Community School District

November 2018

Last week, **THE BUSINESS EXPERIENCE** students headed to downtown Des Moines to meet with The Ronald McDonald House and RAYGUN to learn more project idea that RAYGUN had proposed to them. Stay tuned for information regarding their project happening on December 2 and how you might be able to see their work in action!

## THE BUSINESS EXPERIENCE

THE BUSINESS EXPERIENCE is a project-based course offered through the Woodward-Granger Business Program. Students involved in the dual-credit course work only on projects that have been created or requested by businesses in the community in order to gain valuable real world employability skills and will further their skills that they have learned in the classroom. # Letter from the Superintendent

By W-G Superintendent  
Brad Anderson

Dear Hawk Families,

I hope my November newsletter finds each student and family enjoying and having a successful school year!

From a school calendar perspective November begins a time when many disruptions enter into a normal school week. These are not bad things by any means as we have the opportunity to spend time with our families over the Thanksgiving holiday, engage in valuable conversations about education at parent/teacher conferences and change over from fall extracurricular activities to winter. Oh yeah, did I mention the clock will also change (daylight savings) in November messing with bedtimes and the way we all interact with daylight?

There is a point to what I have shared above. That point is to ask you (parents/guardians) to be conscious of how your child/ren navigate/s and handle/s change. Not only is this a concern in the month of November but throughout the school year. What we as adults sometimes perceive as minor change, truly could have a major impact in the life of a child. When a child is truly concerned about change and navigating the waters associated with it, reading, writing and arithmetic tend to take a back burner in the line of priorities for a child. As the District continues to work towards consistency and optimal learning conditions, we ask you to continue to help us recognize and support your child's needs.

Dates of Importance

*Monday November 5<sup>th</sup>- Closed School Board Meeting (IA Code 21.5) (1)c. @ 5:30 in Granger*

*Tuesday November 6<sup>th</sup> -Election Day...Please VOTE!*

*Tuesday November 6<sup>th</sup> and Thursday November 8<sup>th</sup> -P/T Conferences dismiss each day at 2:15*

*Friday November 9<sup>th</sup> – NO SCHOOL!*

*Tuesday November 15<sup>th</sup>, 2018 “Nuts and Bolts Night” at the MS/HS (all parents welcome) TBD*

*Monday November 19<sup>th</sup> - Regular School Board Meeting @ 6 p.m. in Granger*

*Wed. November 21<sup>st</sup>-Friday November 23<sup>rd</sup>- NO School....Happy Thanksgiving*

Finally, I would like to thank you all for a great start to the school year. Everyone is doing their part and working hard to make sure the students are engaged in a positive learning experience. Yes there are always hiccups along the way but overall it has been positive and your support and involvement has been greatly appreciated.

Happy Thanksgiving from our school family to yours.

Go Hawks!

## Opus 2018

Ryan Fitch and Tyler Fitch were recently selected for participation in the thirty-second annual Opus Honor Choir Festival. Close to 3,000 students were nominated by their directors for 720 positions in the four Opus Honor Choirs. Selections were made by means of a recorded audition. Guest conductors of the choirs include Michelle Droe, Lincoln Elementary, Cedar Falls, 5th & 6th Grade Honor Choir; Christopher Johnson, Roland-Story & Gilbert Middle Schools, 7th & 8th Grade Bass Clef Honor Choir; Dr. Jennaya Robison, Luther College, 7th & 8th Grade Treble Clef Honor Choir; and Gerard Krupke, Norwalk High School, 9th Grade Mixed Honor Choir. The 2018 Opus Honor Choirs will perform at 4:00 p.m. November 15th in C.Y. Stephens Auditorium in the Iowa State Center in Ames. The Opus Honor Choir Festival is made possible by the Iowa Choral Directors Association, Inc.

## Early World History Class Field Trip

On Monday the 22nd, the early world history classes took a trip over to the Hindu Temple and Cultural Center outside of Madrid to learn more about the Hindu culture and beliefs that we have been studying in class. The students were able to walk around and view all of the different shrines inside of the main worship hall along with viewing different pieces of artwork of the Hindu culture. They then met with one of the priests of the temple who answered student questions about their beliefs and the different aspects of how people worship in the Hindu religion. Many students were impressed with the different pieces of artwork and the chance to learn about a culture very different from their own. Sophomore Olivia Clark stated, “My favorite thing that I learned about was what each god meant and what the Hindu’s prayed for when facing that certain god”. Another student Walker Deputy stated, “Overall this trip was a very cool experience and I learned a lot that I didn’t know, and I’m glad we were able to experience this together as a class”. This was a unique opportunity that hopefully can be continued for other students in the future!

# The W-G Drama Department Presented Night of the Living Dead on October 26th & 27th

“What an amazing performance by the W-G Drama Department under the direction of the one and only Ms. Buck. They flawlessly performed “Night of the Living Dead” complete with lots of blood, guts, screams, and zombies. The set design was flawless and seeing these kids quick change into zombies was incredible. If you need something to do on Saturday, take an hour of your time and go see it. Be sure to stay clear of the back row though because they will be out to get you.”

## New overdue policy at the MS/HS Library

The HS/HS library will no longer charge a daily fee for overdue books. All books are still due 2 weeks after they are checked out. If they are not returned in time, students will receive a reminder by email. If they are still not returned a month after the due date, students will be charged the cost of replacing the book and parents will be notified. Students always have the option to bring the book in to renew if they have not finished it and need more time.

**Scholastic Book Fair Coming!** The Scholastic Book Fair will again be in the Elementary School Library during conference week. Students will have the opportunity to preview the fair the week before, and the fair will be open for business November 6 & 8 from 3:30 p.m.-7:45 p.m. Teachers will have wish baskets set up if you would like to purchase a book for their classroom libraries, and their choices are often a good guide to what your children might like to read as well.

**Elementary and ELC Parents** - if you are not sure what day your child has library classes, check out the library website. There is a calendar for each school listing the PK-5th grade class dates. We encourage the students to return the books the day before, or at least the morning of, so instructional time isn't used for checking in books. Thanks for your assistance with this!

## Nuts & Bolts

### MS/HS Information Night

Tues. Nov. 15th

6-8 p.m.

Come learn about a variety of topics at the MS/HS level!

***The bike ride was fun. We got a break from school and we got to get moving!***

***-Quin Mahler-Moreno***

## **Bike Ride**

Who would have thought it would be snowing the day before our fall 6th grade bike ride!? On Monday, October 15th, the 6th graders brought their warm clothes, bikes, helmets, and excitement to school for our annual bike ride. The kids rode from Woodward to Madrid, traveling across the High Trestle Bridge. The kids took a snack break in Madrid and then returned to the school. Since the forecast was a little chilly, we reached out to the Grandwood Staff that run our WG coffee shop and they gladly fixed up some hot chocolate for our return. The whole afternoon was a success.

Thank you to all volunteers who made the bike ride possible. We appreciated the willingness to ride with us, rearrange schedules due to our rain date, help with transportation and loading of bikes, and helping with bike maintenance on the trail.

Students were taught a little about bike safety on the trail. One thing they learned and used on the trail is saying "on your left!" when passing someone. The students were responsible and safe on the trail. When we were moving, it didn't feel like it was in mid-40 degrees. Kids were glad they had layers on and it really was a beautiful, crisp fall day. Overall, the kids enjoyed the afternoon outside, even if they were a little tired in the end.

***"I like the bike ride because we got to be outside, talking to our friends, and the trees were pretty."***

***-Macey Fitzgerald***

***"The bike ride was so amazing! It was fun to just take a day off from school and ride with my friends! Thank you teachers for letting us do this!"***

***- Emma Brighton***

# Deals Orchard Pumpkin Patch

*"Picking the apples and eating it was my favorite part of today."- Devin Garret*

Each year Grandwood students enjoy a CLE in the fall to Deals Orchard in Jefferson. This CLE provides students with many learning experiences such as social interaction, the process of making cider, growing Christmas trees and much more.

All classrooms pick out a big pumpkin from the patch, apples and cider for their room, and the students each gets a smaller pumpkin.

Students are able to take part in many different activities offered by the Orchard. Students can enjoy a hay ride, the corn maze, pedal tractors, goat races, the jumping pillow, giant slides, the corn pool and more.

The students at Grandwood took a survey on what their favorite activity is at Deals Orchard.

1. Jumping Pillow
2. Giants Slides
3. Hay Rack Ride
4. Pumpkin Picking
5. Corn Pool

During PE this month, at Grandwood, the students learned how to play disc golf. The Mocarski family donated one disc golf goal and 13 discs to Grandwood Learning Center. We worked on putting skills. Then we worked on throwing using forehand and backhand throws. We learned that after we throw from the launch pad, the person furthest from the goal goes next. Whom ever gets the disc in the basket on the goal in the fewest throws goes first on the next hole. Once the students had mastered some of the basic skills, they were ready to play. We borrowed five more goals from the middle school and played a 6 hole course. The next time we had PE we made the distance between holes much further apart. The students did a great job. They kept score, played by the rules and encouraged each other. Now they have a skill they can use when hanging out with friends and family outside of school. We are hoping to try playing on a real course for one of our future Community Learning Experiences.
