# DRESS UP DAYS

# LIBRARY NEWS

The WG Libraries are bustling with activity! Students in Granger are excited to access the library again and have already checked out over 1800 books!

Here are some guidelines to help the libraries continue to run smoothly:

## Early Learning Center

- Students may have one book checked out at a time.
- Books are due the day before the next time they have library class, so generally a week later. (i.e. - if library class is on Day 3, books are due on Day 2)
- If they cannot return their book, they will need to wait until it has been returned to check out a new one.
- Each student is given a sturdy book bag to transport their library book to and from school. If the bag is lost or damaged, a plastic grocery bag or ziplock bag can be used instead.
- Parents are responsible for the expense of replacing any books lost or damaged beyond repair.

## Elementary

- Students may have two books checked out at a time.
- Books are due the day before the next time they have library class, so generally a week later. (i.e. - if library class is on Day 3, books are due on Day 2)
- If they cannot return their book, they will need to wait until it has been returned to check out a new one.
- Students may renew a book up to two times, unless the book is on hold for another student. However, the book must be presented in person for renewal.
- Parents are responsible for the expense of replacing any books lost or damaged beyond repair.

## MS/HS

- Students may have two books checked out at a time, unless they have a special class project that requires the use of additional books.
- The books may be checked out for two weeks at a time, and are renewable once.
- If they cannot return their book, they will need to wait until it has been returned to check out a new one.
- Students may renew a book one time unless the book is on hold for another student. However, the book must be presented in person for renewal.

# Feature Comic Strips

Tommy started creating comics at the age 7 years old, after his dad introduced him to comics and super heroes. His first comic strip was of Spiderman vs. Dr. Octopus

~Fun fact~ His whole family likes to go to Comicon and they make their own costumes.

By: Tommy Teague, 7th Grade

## GRANDWOOD

Grandwood's PBIS program had its kick-off with Expectation Stations. Classrooms discussed our PBIS Values while rotating through stations. Some of the stations include: PE, Lunchroom, Restroom, Office, and Hallway. Students learn how to be Honest, Kind, Trustworthy, and Patient through examples and role playing. We continued with our Superheroes theme again this year. The students enjoy seeing the staff with their super powers!

Each year Grandwood students look forward to the all school Community Learning Experience to Miracle League Park. We are able to practice our PBIS Values in the community while interacting with others. While it was a hot day, the students loved being outside! Some played tennis while others played on swings and slides. The smiles and laughter made for an amazing day!

### Little Hawk Cheer Clinic

The Woodward Granger High School Cheerleading Squad coordinated a cheer clinic for students in TK through 5th grades. Nearly fifty students from the Early Learning Center and the Elementary joined the varsity squad for two hours after school on Wednesday, September 6th. When everyone was split into age groups, the varsity cheerleaders taught cheers, motion technique, and spirting. Each group got a break for snack and then everyone came together for a full group run-through. When asked about the clinic junior member Cierra DeHoet stated, "I really enjoyed teaching the kids new cheers because I know that they are the future of our program and one day they will be in our position, teaching the next generation of Hawk Cheerleaders."

At halftime of the WGHS varsity football game against the Woodward Academy Knights, the aspiring cheerleaders took the track in matching shirts and cheered with their adoring fans in the crowd. The Varsity Cheer Squad would like to give a huge thank you to Mrs. Bidwell, Amber Steinkamp, and Paige Steinkamp for their help in coordinating the participants while the first half of football concluded. Thank you to each of the Little Hawk Cheerleaders' parents for allowing the high school cheer squad to work with your children! We look forward to seeing them at future Hawk Events cheering on our teams!
